fa ade are unveiled Dowell is the archetypal unreliable narrator and his casual revelations are both unexpected and explosive A masterpiece of early Modernism and a virtuoso performance of literary skill Ford s Tale of Passion reflects contemporary interests in psychology sexuality and the New Woman Its portrayal of the destruction of a civilized elite anticipates the cataclysm of the First World War which erupted while Ford was finishing the book This new edition includes Ford s important essay On Impressionism which sheds valuable light on his artistic technique ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more Cassell's universal cookery book.
