Race And Nation In Modern Latin America:

Race and Nation in Modern Latin America Nancy P. Appelbaum, Anne S. Macpherson, Karin Alejandra Rosemblatt, 2003 Based on cutting edge research these 12 essays examine connections between race and national identity in Latin America and the Caribbean in the post independence era They reveal how notions of race and nationhood have varied over time and across the region's political landscapes

Honor, Status, and Law in Modern Latin America Sueann Caulfield, Sarah C. Chambers, Lara Putnam, 2005-06-08 This collection brings together recent scholarship that examines how understandings of honor changed in Latin America between political independence in the early nineteenth century and the rise of nationalist challenges to liberalism in the 1930s These rich historical case studies reveal the uneven processes through which ideas of honor and status came to depend more on achievements such as education and employment and less on the birthright privileges that were the mainstays of honor during the colonial period Whether considering court battles over lost virginity or police conflicts with prostitutes vagrants and the poor over public decorum the contributors illuminate shifting ideas about public and private spheres changing conceptions of race the growing intervention of the state in defining and arbitrating individual reputations and the enduring role of patriarchy in apportioning both honor and legal rights Each essay examines honor in the context of specific historical processes including early republican nation building in Peru the transformation in Mexican villages of the cargo system by which men rose in rank through service to the community the abolition of slavery in Rio de Janeiro the growth of local commerce and shifts in women's status in highland Bolivia the formation of a multiethnic society on Costa Rica's Caribbean coast and the development of nationalist cultural responses to U S colonialism in Puerto Rico By connecting liberal projects that aimed to modernize law and society with popular understandings of honor and status this volume sheds new light on broad changes and continuities in Latin America over the course of the long nineteenth century Contributors Jos Amador de Jesus Rossana Barrag n Sueann Caulfield Sidney Chalhoub Sarah C Chambers Eileen J Findley Brodwyn Fischer Ol via Maria Gomes da Cunha Laura Gotkowitz Keila Grinberg Peter Guardino Cristiana Schettini Pereira Lara Elizabeth Putnam

New Racial Missions of Policing Paul Amar, 2013-09-13 This book identifies new formations of race racism and ethnicity at the intersection of neoliberalism security urban governance and the law through a comparative international analysis of police organizations and practices It pushes analytical and theoretical boundaries by examining racialization and ethnicization in locations where the topic is politically taboo such as in China India and France and where racial and ethnic hierarchies have supposedly been banished to the past as in Bosnia and South Africa This book also examines police and security services not as mere artefacts of state authority or the prerogatives of capitalist development but as relatively autonomous and uniquely productive intersections of new kinds of state social and cultural formations that are remaking race embodiment fear and control on their own terms This book was published as a special issue of Ethnic and Racial Studies

Racisms Steve Garner, 2009-10-29 A very clear and engaging introduction to a contemporary analysis of race and racism's This text effectively combines key theoretical perspectives with vivid contemporary examples Dr Rebecca Barnes University of Derby Fantastic book for helping students get past the stuntedness of the term racism to understand the way in which racisms are part of our social practices and institutions Dr Lucy Michael Hull University This is a solid text covering the topic in a thoughtful manner Studying and teaching racism is a complex issue and this book is a very good resource Dr Sanjay Sharma Brunel University We hear much about race and racism in public discourse but the terms are frequently used without clear definitions or practical examples of how these phenomena work Racisms An Introduction introduces practical methods which

enable students to think coherently and sociologically about this complex feature of the global landscape Steve Garner argues that there is no single monolithic object of analysis but rather a plural set of ideas and practices that result in the introduction of race into social relations This differs over time and from one place to another Focussing on the basics this book Defines race racism institutional racism and racialization Provides examples of how these function in fields like the natural sciences and asylum Clearly sets out theoretical arguments around collective identities race class gender nation religion Uses empirical case studies including some drawn from the author s own fieldwork Points students toward sources of further web and text based information Engaging and accessible this book provides a signposted route into key elements of contemporary debates It is an ideal introduction for undergraduates studying race and ethnicity social divisions and stratification

Hemispheric Blackface Danielle Roper,2025-04-18 In *Hemispheric Blackface* Danielle Roper examines blackface performance and its relationship to twentieth and twenty first century nationalist fictions of mestizaje creole nationalism and other versions of postracialism in the Americas Challenging both the dominance of the US minstrel tradition and the focus on the nation in blackface studies Roper maps a hemispheric network of racial impersonation in Peru Bolivia Colombia Jamaica Cuba and Miami She analyzes blackface performance in the aftermath of the turn to multiculturalism in Latin America the emergence of modern blackness in Jamaica and the rise of Barack Obama in the United States showing how blackface remains embedded in cultural entertainment Contending that the Americas are linked by repeating nationalist fictions of postracialism colorblindness and myths of racial democracy Roper assesses how acts of impersonation mediate the ongoing power of these narratives and enable people to comprehend advancements and reversals in racial equality Rather than simply framing blackface as liberatory or oppressive Roper traces its emergence from a shared history of slavery and the varied politics of racial enjoyment throughout the hemisphere
