Restorationism in the Holiness Movement in the Late Nineteenth and Early Twentieth Centuries Steven L. Ware, 2004 In her 1917 sermon *Lost and Restored* Pentecostal evangelist Aimee Semple McPherson claimed that God had given her a vision showing the fall of the Christian Church from its original purity and the gradual restoration of that original purity in successive stages Using the prophetic images of agricultural blight and recovery in Joel chapter two she detailed the fall of the church after the apostolic age to its complete corruption in the Middle Ages Then beginning with the Protestant Reformation of the sixteenth century she described the church's gradual restoration to purity and power with the influence of the Reformers continuing through Wesley and the holiness movement and culminating with the Pentecostal movement of her own lifetime

Southern Evangelicals and the Coming of the Civil War Edward R. Crowther, 2000 This work examines the connection between evangelical religious beliefs and antebellum southern culture Evangelical assumptions and ideas seemed not only to justify slavery and patriarchy but these assumptions made comprehensible life's mysteries and heartaches Southerners thus had a moral as well as a material investment in their culture As they came to believe that the Republican Party threatened that investment the religiously minded southerners could accept and support secession This moral ardor underlay much southern martial ardor during the Civil War

Joseph Cook, Boston Lecturer and Evangelical Apologist Steven R. Pointer, 1991 As an influential spokesman for a considerable segment of the late 19th century American populace Cook was probably without a rival This study attempts to ascertain the why of his career to account both for the factors which contributed to his rapid rise as well as those which led to his eventual demise Throughout an effort is made to convey not simply the account of an individual who has succumbed to the passing fortunes of historical fame but also insights into the character of a conservative American Protestantism that was more complex and varied than many have realized SAR 57 89 95 268pp 1991
