Matache, Caroline Elkins**

Race Racism And Reparations:

Race, Racism, and Reparations J. Angelo Corlett, 2018-08-06 If affirmative action and other ethnicity based social programs are justified then J Angelo Corlett believes it is important to come to an adequate understanding of the nature of ethnicity in general and ethnic group membership in particular In *Race Racism and Reparations* Corlett reconceptualizes traditional ideas of race in terms of ethnicity As he makes clear the answers to the questions What is a Native American or What is a Latino have important implications for public policy especially for those programs designed to address historic injustices and economic and social imbalances among different groups in our society Having supplanted race with a well defined concept of ethnicity the author then analyzes the nature and function of racism Corlett argues for a notion of racism that must encompass not only racist beliefs but also racist actions omissions and attempted actions His aim is to craft a definition of racism that will prove useful in legal and public policy contexts Corlett places special emphasis on the broad questions of whether reparations for ethnic groups are desirable and what forms those reparations should take land money social programs He addresses the need for differential affirmative action programs and reparations policies the experiences and oppressors of different ethnic groups vary greatly Arguments for reparations to Native and African Americans are considered in light of a variety of objections that are or might be raised against them Corlett articulates and critically analyzes a number of possible proposals for reparations

Race and Reparations Clarence J. Munford, 1996 An analysis of both the history and future of Black oppression and Black nationalism with a call for raised consciousness in the Black community and renewed activism Munford history Black studies Guelph U Ontario has taught in Nigerian European and US universities and has written extensive *Racist America* Joe R. Feagin, 2001 Despite the apparent advances since the civil rights era America remains fundamentally racist argues award winning author Joe Feagin *Racist America* is a bold thoughtful exploration of the ubiquity of race in contemporary life From a black New Jersey dentist stopped by police more than 100 times for driving to work in an expensive car to the labourer who must defend his promotion against charges of undeserved affirmative action Feagin lays bare the economic ideologic and political structure of American racism In doing so he develops an antiracist theory rooted not only in the latest empirical data but also in the current reality of racism in the U S

Race Rights Reparations Fernne Brennan, 2017-07-14 This book considers institutional racism as a problem that exists within modern societies Its roots lie with the transatlantic slave trade and slavery and the solution involves ridding society of the problem It is argued here that first there needs to be an acceptance of its existence then developing the tools needed to deal with it and finally to implement those tools so that institutional racism can be permanently removed from society The book has four themes the first considers the nature of institutional racism the second theme looks at instances of institutional racism through matters such as deaths in custody and skin lightening the third considers the concept of reparations and the final area looks at the development of social movements as a way of pushing institutional racism up the political agenda The

development of a social movement is part of a social discourse which would for example push mentoring as a form of reparations There is a need for more research on the manifestations of institutional racism and this book is part of that discourse It is argued that the legacy of the slave trade and slavery is continuing and contemporary through the presence of institutional racism in society This problem has not been addressed through legislation and policies devised to combat racial discrimination Institutional racism needs to be understood as being located in the processes and procedures of societal institutions

Colonialism, Slavery, Reparations and Trade Fernne Brennan, John Packer, 2012-03-12 Colonialism Slavery Reparations and Trade Remedying the Past Addresses how reparations might be obtained for the legacy of the Trans Atlantic slave trade This collection lends weight to the argument that liability is not extinguished on the death of the plaintiffs or perpetrators Arguing that the impact of the slave trade is continuing and therefore contemporary it maintains that this trans generational debt remains and must be addressed Bringing together leading scholars practitioners diplomats and activists Colonialism Slavery Reparations and Trade provides a powerful and challenging exploration of the variety of available legal relief type economic based and multi level strategies and apparent barriers to achieving reparations for slavery

Redress for Historical Injustices in the United States Michael T. Martin, Marilyn Yaquinto, 2007-07-16 A collection of seminal essays that examines the arguments in favor of the redress movement in the United States

Reparations and Anti-Black Racism Angus Nurse, 2022 Police shootings and incarceration inequalities are two examples of the legacy of slavery in the US and UK Offering a criminological exploration of the case for slavery and anti black racism reparations in the context of enduring harms and differential treatment of black citizens this book refutes the policy perspectives that oppose reparations

Reconsidering Reparations Olúfemi O. Táíwò, 2022-01-06 Philosopher Ol femi O T w presents a bold and original case for reparations arguing that reparations should best be seen as constructive and future oriented rather than as restitution for historical wrongs

Heirs of Oppression Angelo J. Corlett, 2010-11-16 Packing his case with moral argument and relevant facts Angelo Corlett offers the most comprehensive defense to date in favor of reparations for African Americans and American Indians As Corlett see it the heirs of oppression are both the descendants of the oppressors and the descendants of their victims Corlett delves deeply into the philosophically related issues of collective responsibility forgiveness and apology and reparations as a human right in ways that no other book or article to date has done He recommends specific policies and tests the basic arguments of this book with a lengthy chapter considering several objections to the line of reasoning grounding the project

Reparations and Reparatory Justice Sundiata Keita Cha-Jua, Mary Frances Berry, V. P. Franklin, 2024-04-09 Changes at the global federal state and municipal level are pushing forward the reparations movement for people of African descent The distinguished editors of this volume have gathered works that chronicle the historical movement for reparations both in the United States and around the world Sharing a focus on reparations as an issue of justice the contributors provide a historical primer of the movement introduce the philosophical

political economic legal and ethical issues surrounding reparations explain why government corporations universities and other institutions must take steps to rehabilitate compensate and commemorate African Americans call for the restoration of Black people s human and civil rights and material and psychological well being lay out specific ideas about how reparations can and should be paid and advance cutting edge interpretations of the complex long lasting effects that enslavement police and vigilante actions economic discrimination and other behaviors have had on people of African descent Groundbreaking and innovative Reparations and Reparatory Justice offers a multifaceted resource to anyone wishing to explore a defining moral issue of our time Contributors Dedrick Asante Muhammad Hilary McDonald Beckles Mary Frances Berry Sundiata Keita Cha Jua Chuck Collins Ron Daniels V P Franklin Danny Glover Adom Gretachew Charles Henry Kamm Howard Earl Ofari Hutchinson Jesse Jackson Sr Brian Jones Sheila Jackson Lee James B Stewart the Movement 4 Black Lives the National African American Reparations Commission the National Coalition of Blacks for Reparations in America the New Afrikan Peoples Organization Malcolm X Grassroots Movement

Race, Racism, and American Law Derrick Bell, 2004 Bell law New York U in the newest edition of his work continues his project of explaining the law s role in concretizing racial difference maintaining racial inequality and reifying the status quo He has updated a significant portion of the material including the first chapter introduced in the last edition on the nomenclature of race which discusses the theoretical underpinnings of the emergence of race and racial meaning in the United States Among the topics discussed in his treatment of race and American law are the use of color blind constitutionalism to attack affirmative action the use of history to legitimate American racial legal policy developments in the areas of public accommodations housing and employment discrimination in the administration of justice including the death penalty the state of the right to vote and the impact of anti racist and pro racist protest on the law Annotation 2004 Book News Inc Portland OR booknews com

Research Handbook on Accountability for Human Rights Violations Kristin Henrard, Michelle Duin, 2025-10-07 This thought provoking Research Handbook explores accountability for human rights violations in terms of international law from a rich spectrum of angles A conceptual angle investigating the broader understanding of accountability is followed by explorations of the who can be held accountable for the violation of what rights how following what supervisory mechanisms and to what extent leading to what remedies The volume brings together experts on this topic from many different backgrounds and offers both inspiration and practical guidance

Race or Ethnicity? Jorge J. E. Gracia, 2018-07-05 What is race What is

ethnicity Should we think of them as identities Can they be effectively individuated How are they related How do the relations between them influence pressing issues concerned with social identity gender racism assimilation exploitation justice the law and public policy And how are the answers to these questions affected by the Black and Latino experience in the United States From the Preface This collection of new essays explores the relation between race and ethnicity and its social and political implications Although much work has been done on the philosophy of race in the past century in the United States the concept of ethnicity has only recently awoken the interest of American philosophers and the relations between race and ethnicity remain largely unexamined The discussion is divided into two parts dealing on the one hand with the nature and the relation between race and ethnicity and on the other with the social consequences of the complex relations between them Part I explores in particular the debated topic of racial and ethnic identities Does it make sense to speak of racial and ethnic identities and especially of black and Latino identities And if it does make sense how should these identities be conceptualized and how are they related to gender Part II examines how race and ethnicity have influenced the lot of some social groups in significant ways How do racially defined institutions deal with racial assimilation How do different conceptions of race and ethnicity influence public policy and various forms of racism How can exploited racial and ethnic groups be effectively recognized And what is the role of affect in social justice as dispensed by the courts Time for Reparations Jacqueline Bhabha, Margaret A. Matache, Caroline Elkins, 2021-09-03 Past state injustice has enduring consequences and the harm needs to be addressed as a matter of justice and equity Time for Reparations offers detailed case studies of state injustices from slavery to forced sterilization to widespread atrocities and interdisciplinary perspectives on the potential impact of reparative strategies *Whiteness, Fair Play, and Reparation* Joseph Frigault, 2025-07-26 Focused on some of the most conspicuous forms of social psychological and ideological resistance to the very idea of reparations Whiteness Fair Play and Reparation develops a new fairness based argument designed to help sensitize opponents to the force of more familiar calls for racial redress Drawing on a range of empirical literature on whites attitudes toward race conscious policy and related sociological analyses of the white moral imagination the book argues that the lens of fair play can help provide socially and morally threatened whites with a psychologically viable route toward appreciating their personal enmeshment within structures of racial hierarchy **Officially Hispanic** José Enrique Idler, 2007-01-01 Officially Hispanic takes a critical look at the American government's classification system of ethnicity and race Classification policies related to issues of identity and civil rights are an important feature of American politics The classification of Hispanic or Latino is especially significant due to the large percentage of the population identified in that category Delving into questions of group categorization and the nature of membership identity and ethnic groups Idler argues that the Hispanic category as currently used by the federal government does not adequately capture the multiplicity of circumstances and identities among Hispanics Applicable in the upper level undergraduate or graduate public policy political science and cultural studies

classroom as well as for academics and practitioners this timely inquiry addresses one of the central questions of modern states how to socially and politically integrate all of its citizens **Responsibility and Punishment** J. Angelo Corlett, 2013-03-14 Responsibility and Punishment presents a clear headed defense of retributivism against several long standing criticisms In the end a viable version of retributivism emerges as one which withstands more criticism than competing theories of responsibility and punishment Extending the problem of wrong doing to collectives and compensation Corlett explores the matter of reparations for past wrongs in the case of the crimes committed against Native Americans by the United States Government No other philosophical work on responsibility and punishment exhibits this breadth of scope as it delves deeply into particular concerns with retributivism responsibility and certain areas of compensation Academicians and professionals in ethics moral social political and legal philosophy are likely to benefit from this analytical treatment of responsibility and punishment

Race Racism And Reparations Introduction

In today's digital age, the availability of Race Racism And Reparations books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Race Racism And Reparations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Race Racism And Reparations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Race Racism And Reparations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Race Racism And Reparations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Race Racism And Reparations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Race Racism And Reparations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Race Racism And Reparations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Race Racism And Reparations books and manuals for download and embark on your journey of knowledge?

FAQs About Race Racism And Reparations Books

1. Where can I buy Race Racism And Reparations books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
