Annotated Archive of Communication References William D. Crano, Suellen Ludwig, Gary W. Selnow,1981 **Mental Health, Racism And Sexism** Charles V Willie,2016-01-28 Following their book Racism and Mental Health the authors here re examine the intersections of racism and mental health adding sexism as another divisive issue that profoundly affects mental health The book aims to offer fresh perspectives on contemporary controversial issues including interracial adoptions teenage motherhood gender bias in mental health diagnosis and therapy prisons used as substitutes for hospitals homeless families and increasing violence in the home and on the streets **Individuals as Producers of Their Development**

Richard M Lerner, Nancy A. Busch-Rossnagel,2013-09-03 Individuals as Producers of Their Development A Life Span Perspective provides an assessment of the usefulness of viewing the individual as an active contributor to his or her development It extends the breadth of organism environment reciprocities beyond those involved with the child and family On the one hand this extension involves a consideration of the role of evolutionary biological processes on the other it pertains to the broader ecology of human development the social network lying outside the family and the physical environmental contexts of development Person context reciprocities linked to variables that may play their greatest role in the extrafamilial context are also considered Variables such as physical attractiveness race and physical handicap are examples of those discussed in this regard Finally because of the greater scope of the analysis a potentially greater data base is examined in a search for documentation of the presence and role of dynamic person context interactions
