Racist & Sexist Quotations Robert Fikes,1992 **Racism** Albert J. Wheeler,2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature Midwest Unrest Ashley Howard,2025-06-17 In the nation's so called heartland racism is sometimes subtler than in other parts of the country but just as insidious When Black communities across the United States went up in flames in the 1960s Midwest cities where racial inequity was endemic were among those most likely to burn Midwest Unrest explores those rebellions paying particular attention to the ways that region race class and gender all played critical and often overlapping roles in shaping Black people's resistance to racialized oppression Focusing on the uprisings in three midsize midwestern cities Cincinnati Ohio Omaha Nebraska and Milwaukee Wisconsin Ashley Howard argues that urban rebellions were a working class response to the failure of traditional civil rights activism and growing fissures between the Black working and middle classes Utilizing arrest records Kerner Commission documents and author conducted oral history interviews Howard registers the significant impact the rebellions had in transforming the consciousness of African Americans and in altering the relationship between Black urban communities and the state Specifically multiple parties including municipal governments city residents and most importantly rebels wielded urban revolt as a political tool to achieve their own objectives Revealing a new dimension of the Black Freedom Movement Howard moves the understanding of these disturbances from aberrant acts of violence to historically contingent acts of resistance highlighting the coeval nature of organized protests and violent outbursts The Color of Words Philip Herbst,1997 The 851 terms defined include slurs used to disparage nearly every ethnic group in U S society ethnic euphemisms and code words and vogue or disputed terms heard in ongoing multicultural debates In addition to providing known etymology and usage entries explore how meaning varies by social context or circumstance and how it has changed over time Many include brief quotations from recent writings Annotation copyrighted by Book News Inc Portland OR *Afro-Americana Acquisitions* University of Illinois at Urbana-Champaign. The Serious Scale of Sarcasm: More Balanced Than a Drunken High-Heeled Clown on a Tight Rope Craig Rozniecki,2007-03-10 Ever been on a date where your date pretended to figure skate on the carpet for two hours Has a friend date or loved one ever confessed their love of mannequins to you Want to know what the top ten post presidential jobs are for George W Bush Ever wonder how Valentine's Day came to be fictionally speaking Wonder no more All these questions will be answered experiences will be shared and then some in The Serious Scale of Sarcasm More Balanced Than a Drunken High Heeled Clown on a Tight Rope Craig Rozniecki author of Seasons Come People Grow A Poetic Journey goes a very different route in his second book as he goes from vague open to interpretation poetry to very blunt and in your face humor

and analysis Rozniecki makes fun of anything from commercials to politicians to celebrities to the Internet's All this is talked about and so much more in Rozniecki's second book *The Serious Scale of Sarcasm More Balanced Than a Drunken High Heeled Clown on a Tight Rope*

The Silent Queen Paul Ellis, 2020-11-10 You have a story a song or a message that the world needs to hear But if you are denied the opportunity to share your gift your light will not shine as bright as God intended In *The Silent Queen* Paul Ellis demolishes the lies that keep women silent and sidelined In this book you will learn what Jesus really thought about women in leadership why the Bible never said women should stay in the shadows why submission may not mean what you think it means why you should never compare yourself or your wife to the excellent woman of Proverbs 31 and much more I was stunned by the things I discovered in this powerful book Sandra McCollom author of *I Tried Until I Almost Died Brilliant Amen Yes* Jami Amerine author of *Well Girl* A critical and essential masterpiece Nate Tanner evangelist at L3 International Ministries

Extremism and Radicalization in the Manosphere Deniese Kennedy-Kollar, 2024-06-03 This book presents an analysis of the male supremacist ideology of the internet based subculture known as the manosphere and examines the process of radicalization to violent extremism that occurs within the group The manosphere is the online subculture comprised of several distinct groups who share a basic gender ideology that is misogynistic and anti feminist in the extreme The manosphere celebrates a toxic hegemonic masculinity that encourages sexual violence and portrays violence as an understandable response to a feminized culture that denigrates manhood Evidence has shown that several recent cases of murder mass murder and rape involved offenders who participated in this subculture prior to engaging in their crimes Through the use of quotes gathered directly from the websites and message boards frequented by individuals within the subculture this book offers an in depth analysis of the ideology of the manosphere and the common attitudes values and beliefs promoted within the various groups that comprise the subculture It will also present a theoretical perspective that may shed light on what draws men to these groups and the processes by which they become radicalized to the far right and violent extremism This book will be of interest to scholars and students in criminology sociology and political science and others interested in examining the manifestation and effects of the manosphere on crime and criminal justice

Cultural identity Scientific progress **The Strange Death of Liberal America** Ralph Brauer, 2006-05-30 Ralph Brauer defines Liberal America as a place where government exists to keep the playing field level The success of the American experiment he argues depends on how well we maintain this equity and its four cornerstones economic justice educational equity voting rights and media fairness His book is both a political and intellectual history examining the various threats to these cornerstones and a social and cultural chronicle Touching on music television movies and sports Brauer's thesis is underscored by a historical discussion that begins with the New Deal and works its way to the present ending with Global Warming and the Iraq War Arguing that the patient is in intensive care Brauer identifies three reasons for the decline of the level playing field 1 a Republican counterrevolution dedicated to rolling back the values of the New Deal 2 an inability of both parties to answer questions raised by decades of Civil Rights revolutions and 3 the transformation of suburban America from a place of opportunity created by government programs to a battleground These three ideas form the basis for the book's three sections Part One follows the development of the Counterrevolutionary Coalition beginning with the Southern Strategy and ending with a chapter on America's politicized media Part Two focuses on questions that have been raised by people of color and by women and treats the Democratic Party's failure to answer those questions as illustrated by events like the Nader LaDuke campaign and the 1964 Atlantic City convention Part Three details the impact of suburban America on the cornerstones *Totally Wired* Simon Reynolds, 2010-08-17 With his critically acclaimed *Rip It Up and Start Again* renowned music journalist Simon Reynolds applied a unique understanding to an entire generation of musicians working in the wake of punk rock Spawning artists as singular as Talking Heads Joy Division The Specials Siouxsie and the Banshees Gang of Four and Devo postpunk achieved new relevance in the first decade of the twenty first century through its profound influence on bands such as Radiohead Franz Ferdinand and Vampire Weekend With *Totally Wired* the conversation continues The book features thirty two interviews with postpunks most innovative personalities such as Ari Up Jah Wobble David Byrne and Lydia Lunch alongside an overview section of further reflections from Reynolds on postpunks key icons and crucial scenes Included among them are John Lydon and PIL Ian Curtis and Joy Division and art school conceptualists and proto postpunkers Brian Eno and Malcolm McLaren Reynolds follows these exceptional often eccentric characters from their beginnings through the highs and lows of postpunks heyday Crackling with argument and anecdote *Totally Wired* paints a vivid portrait of individuals struggling against the odds to make their world as interesting as possible in the process leaving a legacy of artistic ambition and provocation that reverberates to this day **Women in Game of Thrones** Valerie Estelle Frankel, 2014-04-04 *Game of Thrones* one of the hottest series on television leaves hundreds of critics divided on how feminist the show really is Certainly the female characters strong and weak embody a variety of archetypes widow queens warrior women damsels in distress career women priestesses crones mothers and maidens However the problem is that most of them play a single role without nuance even the strong women have little to do besides strut about as one note characters This book analyzes the women and

their portrayals one by one along with their historical inspirations Accompanying issues in television studies also appear from the male gaze to depiction of race How these characters are treated in the series and how they treat themselves becomes central as many strip for the pleasure of men or are sacrificed as pawns Some nude scenes or moments of male violence are fetishized and filmed to tantalize while others show the women s trauma and attempt to identify with the scene s female perspective The key is whether the characters break out of their traditional roles and become multidimensional

Corpus Approaches to Contemporary British Speech Vaclav Brezina,Robbie Love,Karin Aijmer,2018-05-23 Featuring contributions from an international team of leading and up and coming scholars this innovative volume provides a comprehensive sociolinguistic picture of current spoken British English based on the Spoken BNC2014 a brand new corpus of British speech The book begins with short introductions highlighting the state of the art in three major areas of corpus based sociolinguistics while the remaining chapters feature rigorous analysis of the research outcomes of the project grounded in Spoken BNC2014 data samples highlighting English used in everyday situations in the UK with brief summaries reflecting on the sociolinguistic implications of this research included at the end of each chapter This unique and robust dataset allows this team of researchers the unique opportunity to focus on speaker characteristics such as gender age dialect and socio economic status to examine a range of sociolinguistic dimensions including grammar pragmatics and discourse and to reflect on the major changes that have occurred in British society since the last corpus was compiled in the 1990s This dynamic new contribution to the burgeoning field of corpus based sociolinguistics is key reading for students and scholars in sociolinguistics corpus linguistics pragmatics grammar and British English
