My Sai and I Dr. Kavita S. Bhatt, 2025-09-09 My God and Guru Sri Sathya Sai Baba rightly says that the Lord who is the author of the Divine Drama of Time with its three acts the past the present and the future the one and the only one who knows the entire drama The spectators and actors have to go through all the three acts to know the gist or the end of the divine drama The gist being the search for our Real Self or Self Realization which is our ultimate destination We all have our own personal notions about Self Realization according to our understanding and imagination because of which there is a lot of confusion The book My Sai and I dissolves this confusion and guides the reader step by step on the inward journey from I to Him This book also discusses secrets like Cycle of birth and death Wheel of Life Involution and Evolution Karmas Time Space and Causation Scientific explanation about the Creation The role of Ego annihilation of Ego etc which will add to the readers understanding and bring a drastic change in attitude towards life and living The experiences that the author has on the inward path clearly shows that a very different and beautiful world exists on different planes of existence and all of us have an excess to it provided we follow a disciplined life and meditate regularly The reader will gain a lot of inspiration a lot of understanding about own inner self which will make things easy for the reader on his her inward journey
