Sailor Historian The Best Of Samuel Eliot Morison:

Sailor Historian Samuel Eliot Morison, 1989 Thirty four selections that best represent Morison's scope, depth and vigor as a writer and explorer Samuel Morison a Harvard professor for 25 years was recipient of the Pulitzer Prize and the Bancroft Award **Sailor Historian** Samuel Eliot Morison, 1977 **Sailor Historian** Samuel Eliot Morison, 1977

Samuel Eliot Morison's Historical World Gregory M. Pfitzer, 1991 At a time when his colleagues prided themselves on their ability to write the dullest prose on narrowest topics Morison 1887-1976 set out to write history that would appeal to the general public without loss of intellectual rigor and succeeded **The Marine Corps Gazette**, 1976 **The Story of America** Jill Lepore, 2012-10-07 In this book the author investigates American origin stories from John Smith's account of the founding of Jamestown in 1607 to Barack Obama's 2009 inaugural address in order to show how American democracy is bound up with the history of print It excavates the origins of everything from the paper ballot and the Constitution to the I O U and the dictionary It presents readings of Benjamin Franklin's Way to Wealth Thomas Paine's Common Sense The Raven by Edgar Allan Poe and Paul Revere's Ride by Henry Wadsworth Longfellow as well as histories of lesser known genres including biographies of presidents novels of immigrants and accounts of the Depression From past to present the author argues Americans have wrestled with the idea of democracy by telling stories here she offers both a history of origin stories and a meditation on storytelling itself **A Ruinous and Unhappy War** James H. Ellis, 2009 An entertaining well researched study details naval battles and coastal incursions through diaries and regional news articles on the War of 1812 New England was hard hit by the War of 1812 with Great Britain The war severely injured the maritime and commercial economy and inflamed the difference in interests between the Northeast and the rest of the country where agriculture was the mainstay The author has combed sources near and far bringing to life a drama that was international in scope but so local in impact **English/British Naval History to 1815** Eugene L. Rasor, 2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship **World War II** Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the

war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research

World War II at Sea Spencer C. Tucker, 2011-11-10 The war at sea was a key aspect of World War II one that is too often under studied This comprehensive encyclopedia shares current understandings of the struggle to control the seas during that conflict and it opens our eyes to the reasons sea power continues to be of critical importance today Scholarly treatment of World War II is constantly changing as new materials inform new interpretations At the same time current military operations lead to reevaluation of the tactics and technologies of the past Marshalling the latest information and insights into this epic conflict World War II at Sea An Encyclopedia will enable students and other interested readers to explore specific naval engagements while also charting the transformation of naval history through innovations in ordnance In treating the naval aspects of World War II this two volume ready reference enhances the understanding of a part of the war that is often overshadowed by the fighting on land and in the air The encyclopedia focuses on the events individuals organizations and ideas that shaped the world s navies during World War II as well as the resultant battles that changed naval history It also covers the numerous innovations that occurred during the conflict and shows how strategies evolved and were executed
