The Foxes of Belair Jennifer S. Kelly,2023-05-09 Calumet Claiborne King Ranch these iconic names are among the owners and breeders revered by Thoroughbred industry professionals and racing fans around the world As campaigners of many of the 20th century s top racehorses their prestige has been confirmed by decades of competition in the Triple Crown the most esteemed series in American Thoroughbred racing Even with these substantial legacies their success is measured against the benchmark set by one of racing s earliest dynasties the historic Belair Stud The story of this legendary operation began with William Woodward s childhood memories of grand days at the racetrack inspiring dreams of breeding a champion or two of his own During a year working for the American Ambassador to the United Kingdom Woodward frequented English racetracks rekindling that childhood dream of breeding and owning champion Thoroughbreds Woodward turned those dreams into reality building Belair Stud on his family s Maryland estate launching what would become the preeminent Thoroughbred breeding and racing empire in America and chasing racing s biggest prizes in both the United States and England The defining moment for Belair came when Woodward bred the imported stallion Sir Gallahad III to his mare Marguerite Their colt Gallant Fox became only the second horse in history to win the Preakness Stakes the Kentucky Derby and the Belmont Stakes in the same year In 1935 the farm cemented the Triple Crown as the gold standard for three year olds when Gallant Fox s son Omaha duplicated his sire s trio of victories a sweep that sealed the farm s legacy and carved its name in the annals of racing history In **The Foxes of Belair** Gallant Fox Omaha and the Quest for the Triple Crown Jennifer Kelly examines the racing legacies of Gallant Fox and Omaha and how William Woodward s service to racing during the 20th century forever changed the landscape of the American Thoroughbred industry Military Comedy Films Hal

Erickson,2012-08-21 Beginning with Charlie Chaplin s *Shoulder Arms* released in America near the end of World War I the military comedy film has been one of Hollywood s most durable genres This generously illustrated history examines over 225 Army Navy and Marine related comedies produced between 1918 and 2009 including the abundance of laughspinners released during World War II in the wake of Abbott and Costello s phenomenally successful *Buck Privates* 1941 and the many lighthearted service films of the immediate postwar era among them *Mister Roberts* 1955 and *No Time for Sergeants* 1958 Also included are discussions of such subgenres as silent films The General military academy farces *Brother Rat* women in uniform *Private Benjamin* misfits making good *Stripes* anti war comedies *MASH* and fact based films *The Men Who Stare at Goats* A closing filmography is included in this richly detailed volume Movie Comedians of the 1950s Wes D. Gehring,2016-11-03 The 1950s were a transitional period for film comedians The artistic suppression of the McCarthy era and the advent of television often resulted in a dumbing down of motion pictures Cartoonist turned director Frank Tashlin contributed a funny but cartoonish effect through his work with comedians like Jerry Lewis and Bob Hope A new vanguard of

comedians appeared without stock comic garb or make up fresh faces not easily pigeonholed as merely comedians such as Tony Randall Jack Lemmon and Tony Curtis Some traditional comedians like Charlie Chaplin Red Skelton and Danny Kaye continued their shtick though with some evident tweaking This book provides insight into a misunderstood decade of film history with an examination of the personality comedians The talents of Dean Martin and Bob Hope are reappraised and the dumb blonde stereotype as applied to Judy Holliday and Marilyn Monroe is deconstructed **Sealift** ,1978 **Martini Man** William Schoell,2003-10-10 Martini Man goes beyond the simple caricature of the boozy lounge singer with a penchant for racy humor to reveal the substantive man behind that mask Although Martin s movie roles receive in depth attention in this incisive biography as does his career defining partnership with Jerry Lewis details of Dino s personal life also abound such as how Shierly MacLaine dropped by his house to tell Dean she was in love with him even though his wife was in the other room William Schoell s chronicle is a sympathetic portrait that recreates the life and times of one of America s favorite entertainers **The Mariners' Church Gospel Temperance Soldiers' and Sailor's Magazine** ,1845 **Good Nights Out** Aleks Sierz,2019-12-12 London s West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield s Worm s Eye View and Hugh Hastings s Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre
