

Saint Augustine

Saint Augustine, Saint Augustine of Hippo, E.b. Pusey

Saint Augustine:

The Confessions of St. Augustine Saint Augustine of Hippo, 2011-11-01 Writing in the latter half of the 4th century St Augustine provides the reader with an intimate view into his own troubled past conversion and understanding of human nature and the Trinity It is difficult to overestimate the significance of The Confessions of St Augustine Perhaps the first example of an autobiography in the Western world Saint Augustine's analysis and account of his own life has had an immeasurable influence on Western literature Christian theology and our understanding of life and society in the Middle Ages and today Saint Augustine of Hippo Miles Hollingworth, 2013 Saint Augustine of Hippo is a major revisionist treatment of Augustine's life and thought It has long been assumed and not without good reason that the main lines of Augustine's leading ideas have been more or less fixed since his death That insofar as we should be aware of him in the twenty first century he is a figure described by his times In a stimulating and provocative reinterpretation of Augustine's ideas and their position in the Western intellectual tradition Miles Hollingworth's work carefully positions itself vis a vis the latest scholarship drawing its inspiration from the actual narrative of Augustine's life And by this means it returns a cardinal but long neglected fact to the centre of Augustinian studies the fact that there is a direct line from Augustine's own early experiences of life to his later commentaries on it That his new Christianity did not obliterate what had gone before in blunt assaults of dogma and doctrine but actually caught a subtle and reflective mind at the point when it was despairing of finding the truth Christianity vindicated a disquiet that Augustine had been feeling all along he felt that it alone had spoken to his serious rage about man abandoned to the world and dislocated from all real understanding by haunting glimpses of the Divine This book is radical enough to be considered a major new treatment of Augustine on all fronts it achieves its purpose by privileging a genuinely neglected element in his writings and in so doing it introduces us to Augustine as he emerges from the unique circumstances of his life yet uncovering the ironies and inconsistencies that we might just as well find in our own lives *On the Road with Saint Augustine* James K. A. Smith, 2019-10-01 Publishers Weekly starred review One of the Top 100 Books and One of the 5 Best Books in Religion for 2019 Publishers Weekly Christianity Today 2020 Book Award Winner Spiritual Formation Outreach 2020 Resource of the Year Spiritual Growth Foreword INDIES 2019 Honorable Mention for Religion This is not a book about Saint Augustine In a way it's a book Augustine has written about each of us Popular speaker and award winning author James K A Smith has spent time on the road with Augustine and he invites us to take this journey too for this ancient African thinker knows far more about us than we might expect Following Smith's successful *You Are What You Love* this book shows how Augustine can be a pilgrim guide to a spirituality that meets the complicated world we live in Augustine says Smith is the patron saint of restless hearts a guide who has been there asked our questions and knows our frustrations and failed pursuits Augustine spent a lifetime searching for his heart's true home and he can help us find our way What makes Augustine a guide worth considering says Smith is that he knows where home is where rest can be found

what peace feels like even if it is sometimes ephemeral and elusive along the way Addressing believers and skeptics alike this book shows how Augustine's timeless wisdom speaks to the worries and struggles of contemporary life covering topics such as ambition sex friendship freedom parenthood and death As Smith vividly and colorfully brings Augustine to life for 21st century readers he also offers a fresh articulation of Christianity that speaks to our deepest hungers fears and hopes

The Confessions of Saint Augustine St. Augustine, 2000-11-01 The reader who has never met Augustine before ought to go first of all to the Confessions reflected the Trappist monk and scholar Thomas Merton Augustine lived the theology that he wrote He experienced the reality of Christ living in his own soul Saint Augustine the celebrated theologian who served as Bishop of Hippo from A D 396 until his death in A D 430 is widely regarded as one of the most influential thinkers in the Western world Written in the form of a long prayer addressed directly to God Augustine's Confessions the remarkable chronicle of his conversion to Christianity endures as the greatest spiritual autobiography of all time Augustine possessed a strong capacious argumentative mind wrote Edward Gibbon He boldly sounded the dark abyss of grace predestination free will and original sin And the eminent historian Jaroslav Pelikan remarked There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual spiritual and cultural force

The Works of Saint Augustine Saint Augustine (of Hippo), 1990 In 1990 New City Press in conjunction with the Augustinian Heritage Institute began the project known as The Works of Saint Augustine A Translation for the 21st Century The plan is to translate and publish all 132 works of Saint Augustine his entire corpus into modern English This represents the first time in which The Works of Saint Augustine will all be translated into English Many existing translations were often archaic or faulty and the scholarship was outdated New City Press is proud to offer the best modern translations available The Works of Saint Augustine A Translation for the 21st Century will be translated into 49 published books To date 41 books have been published by NCP containing 93 of The Works of Saint Augustine A Translation for the 21st Century Augustine's writings are useful to anyone interested in patristics church history theology and Western civilization Publisher

The Confessions of Saint Augustine Saint Augustine, Saint Augustine of Hippo, E. b. Pusey, 2014-09-11 A classic narrative of St Augustine's life written by the Church Father himself Great to read for personal enjoyment or to learn more about St Augustine and the Early Church St Augustine wrote his Confessions which include both his faults before God and his praises to God for others to read and God to hear Deeply personal this classic work tells the story of St Augustine's struggles and joys

The Confessions of St. Augustine Augustine, 2008-04 In seventy six chapters he traces philosophy from the rise of Greek civilization to the emergence of logical analysis in the twentieth century

The Confessions of St. Augustine: An Autobiographical Work by Bishop Saint Augustine of Hippo Outlining Saint Augustine's Sinful Youth and His Convers Saint Augustine, 2020-09-19 Confessions is the name of an autobiographical work consisting of 13 books by Saint Augustine of Hippo The work outlines Saint Augustine's sinful youth and his conversion to Christianity

Confessions of Saint

Augustine: Illustrated Saint Augustine, 2019-01-10 This version of Confessions of St Augustine contains many illustrations that depict St Augustine's autobiography. The Confessions of St Augustine is an autobiography of the many trials and tribulations St Augustine faced. The images incorporated in this Kindle edition make for a lively reading. *The Confessions of St. Augustine* Saint Augustine of Hippo, 2023-11-25 In *The Confessions of St Augustine* Saint Augustine presents a profound autobiographical narrative that intricately weaves his personal journey toward faith with philosophical reflections on the nature of sin, grace, and the human condition. Written in a distinctive introspective style characterized by a candid exploration of his inner turmoil and spiritual struggles, Augustine's work transcends mere autobiography, positioning itself within the broader context of Christian theological exploration and Neoplatonism. The text is marked by its lyrical prose and deep emotional resonance as Augustine articulates the challenges of reconciling personal desire with divine will, ultimately leading to his conversion to Christianity. Saint Augustine, one of the most influential theologians of the early Christian church, was born in 354 CE in North Africa. His youthful escapades and philosophical inquiries into the nature of happiness and truth, particularly during his time with the Manicheans and Neoplatonists, profoundly shaped his later reflections. His experiences as a teacher and his eventual role as Bishop of Hippo also provided him with a unique lens through which to examine faith, thus enriching his narrative in *The Confessions*. This seminal work is essential not only for those fascinated by the development of Christian thought but also for readers seeking an introspective exploration of the search for meaning and purpose. Augustine's candid confessions resonate across centuries, making his work a timeless reflection on the complexities of human existence and spirituality.

Right here, we have countless books **Saint Augustine** and collections to check out. We additionally have enough money variant types and plus type of the books to browse.
