Saint Patricks Battalion A Stirring Nove:

Mechwarrior: Dark Age #9: Mike Moscoe,2004-04-06 Under assault and ill equipped Alkalurops has come apart since the loss of its communications grid and the inability of The Republic to reestablish it But in a universe of powerful players a leader has to grab power fast if she s going to survive Grace O Malley s people are valiantly making a stand against Loren Hanson s Roughriders a band of mercenaries destroying everything in their path Badly outnumbered her forces need real BattleMechs operated by trained MechWarriors And they re not going to be easy to afford especially since the plbig mine owners refuse to offer any funds for planetary defense But Grace will not surrender her homeland no matter what the price Even though the ragtag locals are putting up a surprisingly good fight Hanson remains confident he can defeat them What he doesn t count on is an opponent determined to write her planet s history in the scorched wreckage of the battlefield **The Scariff Martyrs** Tomás Mac Conmara,2021-09-14 This incredible book is very very important Damien Dempsey In November 2008 Tom s Mac Conmara sat with a 105 five year old woman at a nursing home in Clare While gently moving through her memories he asked the east Clare native Do you remember the time that four lads were killed on the Bridge of Killaloe Almost immediately the woman s countenance changed to deep outward sadness Her recollection took him back to 17th November 1920 when news of the brutal death of four men who became known as the Scariff Martyrs was revealed to the local community Late the previous night on the bridge of Killaloe they were shot by British Forces who claimed they had attempted to escape Locals insisted they were murdered A story remembered for 100 years is now fully told This incident presents a remarkable confluence of dimensions The young rebels committed to a cause Their betrayal by a spy their torture and evident refusal to betray comrades the loneliness and liminal nature of their site of death on a bridge The withholding of their dead bodies and their collective burial All these dimensions bequeath a moment which carries an enduring quality that has reverberated across the generations and continues to strike a deep chord within the local landscape of memory in East Clare and beyond **Rebel Cork's Fighting Story 1916 - 21** The Kerryman,2030-01-01 Originally published by The Kerryman in 1947 this is one of the four titles in the Fighting Stories Series It records the events of the War of Independence in the words of the people who fought it and those who wrote about it at the time The book features reports on the Cork City Volunteers the ambushes at Turengarriffe Clonbanin Rathcoole Tureen and many others the murder of T mas MacCurtain the disastrous battle of Clonmult and the campaigns of the flying columns around the county from Mitchelstown to Blarney With a selection of original pictures from the conflict and reports from both Kilmichael and Crossbarry Rebel Cork s Fighting Story is a treasure trove of information and intriguing detail **The Harp and the Eagle** Susannah J. Ural,2006-11 On the eve of the Civil War the Irish were one of America s largest ethnic groups and approximately 150 000 fought for the Union Analyzing letters and diaries written by soldiers and civilians military church and diplomatic records and community newspapers Susannah Ural Bruce significantly expands the story of Irish American Catholics in the Civil War and reveals a

complex picture of those who fought for the Union While the population was diverse many Irish Americans had dual loyalties to the U S and Ireland which influenced their decisions to volunteer fight or end their military service When the Union cause supported their interests in Ireland and America large numbers of Irish Americans enlisted However as the war progressed the Emancipation Proclamation federal draft and sharp rise in casualties caused Irish Americans to question and sometimes abandon the war effort because they viewed such changes as detrimental to their families and futures in America and Ireland By recognizing these competing and often fluid loyalties *The Harp and the Eagle* sheds new light on the relationship between Irish American volunteers and the Union Army and how the Irish made sense of both the Civil War and their loyalty to the United States ‘*Quis Separabit*’ Irish Guards,2019-01-21 Readers who never served in the Irish Guards and have little idea what went on behind barrack walls may find some of the terms used and the events and the incidents they describe a little strange But they will surely recognise the strand that runs through all the contributions with our Motto QUIS SEPARABIT Who shall separate us The meaning of those words are something valuable Let us share with you the experiences we had that are part of who we are now *Éirinn & Iran go Brách* Mansour Bonakdarian,2023-12-05 This book analyzes particular patterns of nationalist self configuration and nationalist uses of memory counter memory and historical amnesia in Ireland from roughly around the time of the emergence of a broad based non sectarian Irish nationalist platform in the late eighteenth century the Society of United Irishmen until Ireland s partition and the founding of the Irish Free State in 1922 In approaching Irish nationalism through the particular historical lens of Iran this book underscores the fact that Irish nationalism during this period and even earlier always utilized a historical paradigm that grounded Anglo Irish encounters and Irish nationalism in the broader world history a process that I term worlding of Ireland In effect Irish nationalism was always politically and culturally cosmopolitan in outlook in some formulations even in the case of many nationalists who resorted to insular and narrowly defined exclusionary ethnic and or religious formulations of the Irish nation Irish nationalists as nationalists in many other parts of the world recurrently imagined their own history either in contrast to or as reflected in the histories of peoples and lands elsewhere even while claiming the historical uniqueness of the Irish experience Present in a wide range of Irish nationalist political cultural and historical utterances were assertions of past and or present affinities with other peoples and lands **The Rifle Brigade Chronicle** Great Britain. Army. Rifle Brigade (Prince Consort's Own),1940 **The Summary** ,1912 *Osgoode Hall; Reminiscences of the Bench and Bar* James Cleland Hamilton,1904 *The B.B., an illustrated monthly for boys* B.B.,1899
