Sala, More Than a Survivor Sala Lewis, Marsha Casper Cook, 2001 Touching and inspirational story of Sala Lewis who at age ten had been left alone to wander the streets after her family had been taken away by the Nazis Sala had been out with her friends when she came home to find her family gone and the apartment she lived in sealed off Everything she possessed was no longer hers She had no family no clothes no food and at that moment in time no future But Sala was strong willed Even at a young age one could see Sala would not get lost in this world She wouldn't give up and she wouldn't allow herself to be afraid Even when she was taken away by the Nazis she fought to stay alive Her uncompromising determination led her to find the camp that her sister Dora was in Once they were together nothing could stop them To this day their love and commitment to each other is beyond reproach They believed in the American dream and the land of opportunity The proudest day of their lives was when they became citizens They were more than survivors they were Americans *Love Changes* Marsha R Cook, 2002-06-12 Elaine Lewis seemed to have the ideal life with great friends and a busy social calendar Most importantly she had the perfect husband in Martin a physician who loved her more than she could ever love herself She was the envy of all her friends But what they didn't know was that Elaine was hiding a painful secret from her past The birth of Martin and Elaine's son Stevie forces Elaine to recall her past and she refuses to find room for him in her heart Stevie's birth drives a wedge between the once happily married couple throwing Elaine into a downward spiral of gambling adultery and denial Eventually she must face her past in order to try saving her future Jewish Histories of the Holocaust Norman J.W.
