Lama Bennett Goleman's *Mind Whispering: A New Map to Freedom from Self-Defeating Emotional Habits* gives you the keys to lasting emotional freedom. *You are Therefore I am* Satish Kumar, 2002-01-01. Traces the spiritual journey of the author as he learns to view the world as a network of multiple diverse relationships. René Descartes' famous maxim "I think therefore I am" considers the world in terms of dualism, division and separation. Yet the Sanskrit dictum "So Hum" is well known across India but not in the West and can be translated as "You are therefore I am." A journey of the mind, *You are Therefore I am* examines the sources of inspiration which formed child monk, peace pilgrim, ecological activist and educator Satish Kumar's understanding of the world as a network of diverse yet interconnected relationships. Written in four parts, the book begins with Satish's memories of conversations with his mother, his teacher and his Guru, all of whom were deeply religious. The second part recounts his discussions with the Indian sage Vinoba Bhave, J. Krishnamurti, Bertrand Russell, Martin Luther King and E. F. Schumacher. These five great activists and thinkers encouraged him to engage with social, ecological and political issues. In the third part, Satish narrates his travels in India which have continued to nourish his mind and reconnect him with his roots. The final part brings together Satish's world view which is based in relationships and the connections between all things. *You are Therefore I am* is an inspiring and deeply moving look at how we can reconnect with the world and find peace within ourselves by embracing Satish's emergent world view. *A Dictionary in Sanskrit and English; Translated, Amended and Enlarged from an Original Compilation, Prepared by Learned Natives for the College of Fort William. 2.
