

The background of the book cover is a detailed painting of a Louisiana bayou. In the foreground, a large, weathered tree stump stands on the left. The water is calm, reflecting the tall, slender trees that line the banks. A blue bird is perched on a log in the middle ground. The overall atmosphere is serene and naturalistic.

account of legendary New Orleans privateers Pierre and Jean Laffite and their adventures along the Gulf Coast Booklist starred review At large during the most colorful period in New Orleans history from just after the Louisiana Purchase through the War of 1812 privateers Jean and Pierre Laffite made life hell for Spanish merchants on the Gulf Pirates to the US Navy officers who chased them heroes to the private citizens who shopped for contraband at their well publicized auctions the brothers became important members of a filibustering syndicate that included lawyers bankers merchants and corrupt US officials But this allegiance didn't stop the Laffites from becoming paid Spanish spies disappearing into the fog of history after selling out their own associates William C Davis uncovers the truth about two men who made their names synonymous with piracy and intrigue on the Gulf *Wingless Chickens, Bayou Catholics, and Pilgrim Wayfarers* L. Lamar Nisly, 2011

Flannery O'Connor Tim Gautreaux and Walker Percy are all Catholic writers from the South and seem to embody very fully both parts of that label Yet as quickly becomes clear in their writing their fiction employs markedly different tones and modes of addressing their audience O'Connor seems intent on shocking her reader whom she anticipates will be hostile to her deepest beliefs Gautreaux gently and humorously engages his reader inviting his expected sympathetic audience to embrace the characters needed moral growth Percy satirically lampoons an array of social ills and failings in the Church as he tries to get his audience laughing with him while he makes his deadly serious point about the flaws he finds in the church and larger culture Why do these three writers assume such divergent images of their audience Why do texts by three writers who each embrace their Southern locale and their Catholic beliefs seem to have so little in common To answer these questions Nisly helps readers understand these authors' fiction by examining the role that place and time had in shaping each author's idea of an audience and by extension his or her manner of addressing that audience More specifically Nisly focuses on each author's experience of Catholic community and each author's placement in relation to the Second Vatican Council Linking together biographical information and a reading of their fiction Nisly argues that O'Connor's Gautreaux's and Percy's sense of audience has been shaped in significant ways by each author's own local experience of Catholicism in his or her home region as well as the larger global changes of Vatican II that transformed Roman Catholicism **Cincinnati Magazine**, 1978-08
