**Materials Analysis of Byzantine Pottery** Henry Maguire, 1997 This publication brings to a wider audience important new findings in the fields of medieval pottery and archaeometry The new data that materials analysis provides about Byzantine ceramics and their production at times supports modifies and even contradicts conclusions derived from traditional archaeological methods *Library Catalog of the Metropolitan Museum of Art, New York* Metropolitan Museum of Art (New York, N.Y.). Library, 1980 , **The Purchase of the Past** Tom Stammers, 2020-06-25 Offering a broad and vivid survey of the culture of collecting from the French Revolution to the Belle époque The Purchase of the Past explores how material things became a central means of accessing and imagining the past in nineteenth century France By subverting the monarchical establishment the French Revolution not only heralded the dawn of the museum age it also threw an unprecedented quantity of artworks into commercial circulation allowing private individuals to pose as custodians and

saviours of the endangered cultural inheritance Through their common itineraries erudition and sociability an early generation of scavengers established their own form of private patrimony independent from state control Over a century of Parisian history Tom Stammers explores collectors investments not just financial but also emotional and imaginative in historical artefacts as well as their uncomfortable relationship with public institutions In so doing he argues that private collections were a critical site for salvaging and interpreting the past in a post revolutionary society accelerating but also complicating the development of a shared national heritage The Rough Guide to Paris Ruth Blackmore,James

Bremer-David,2015-12-15 Meticulously woven by hand with wool silk and gilt metal thread the tapestry collection of the Sun King Louis XIV of France represents the highest achievements of the art form Intended to enhance the king s reputation by visualizing his manifest glory and to promote the kingdom s nascent mercantile economy the royal collection of tapestries included antique and contemporary sets that followed the designs of the greatest artists of the Renaissance and Baroque periods including Raphael Giulio Romano Rubens Vouet and Le Brun Ranging in date from about 1540 to 1715 and coming from weaving workshops across northern Europe these remarkable works portray scenes from the bible history and mythology As treasured textiles the works were traditionally displayed in the royal palaces when the court was in residence and in public on special occasions and feast days They are still little known even in France as they are mostly reserved for the decoration of elite state residences and ministerial offices This catalogue accompanies an exhibition of fourteen marvelous examples of the former royal collection that will be displayed exclusively at the J Paul Getty Museum at the Getty Center from December 15 2015 to May 1 2016 Lavishly illustrated the volume presents for the first time in English the latest scholarship of the foremost authorities working in the field **Twenty-first-century Perspectives on Nineteenth-century Art** Petra

ten-Doesschate Chu,Laurinda S. Dixon,2008 This book presents an interdisciplinary and inclusive view of nineteenth century art observed from the vantage point of the new twenty first century The areas of expertise represented by the thirty essays herein span the full range of nineteenth century studies and include discussions of such artistic styles as realism impressionism romanticism and art nouveau as well as early twentieth century movements that owe their formative influence

to the nineteenth century Topics span the historical gamut from revivalism to the roots of modernism considering along the way such themes as the depiction of women Orientalism art criticism evolutionary theory political propaganda history painting landscape and national identity Aspects of art display public monuments and international exhibitions shed light on the roles of government and individuals in the dissemination of artistic styles and subject matter Unique in this collection is an emphasis on the marketing of art both in America and abroad which considers the important financial and commercial issues that continue to influence viewers beliefs and perceptions Most important this book demonstrates that the rich field of nineteenth century studies continues to inspire discovery and creativity Publisher description

**A Globalised Visual Culture?** Fabio Guidetti, Katharina Meinecke, 2020-07-31 Late Antique artefacts and the images they carry attest to a highly connected visual culture from ca 300 to 800 C E On the one hand the same decorative motifs and iconographies are found across various genres of visual and material culture irrespective of social and economic differences among their users for instance in mosaics architectural decoration and luxury arts silver plate textiles ivories as well as in everyday objects such as tableware lamps and pilgrim vessels On the other hand they are also spread in geographically distant regions mingled with local elements far beyond the traditional borders of the classical world At the same time foreign motifs especially of Germanic and Sasanian origin are attested in Roman territories This volume aims at investigating the reasons behind this seemingly globalised visual culture spread across the Late Antique world both within the borders of the former Roman and later Byzantine Empire and beyond bringing together diverse approaches characteristic of different national and disciplinary traditions The presentation of a wide range of relevant case studies chosen from different geographical and cultural contexts exemplifies the vast scale of the phenomenon and demonstrates the benefit of addressing such a complex historical question with a combination of different theoretical approaches

Roman Charity Jutta Gisela Sperling, 2016-10-15 Roman Charity investigates the iconography of the breastfeeding daughter from the perspective of queer sexuality and erotic maternity The volume explores the popularity of a topic that appealed to early modern observers for its eroticizing shock value its ironic take on the concept of Catholic charity and its implied critique of patriarchal power structures It analyses why early modern viewers found an incestuous adult breastfeeding scene good to think with and aims at expanding and queering our notions of early modern sexuality Jutta Gisela Sperling discusses the different visual contexts in which Roman Charity flourished and reconstructs contemporary horizons of expectation by reference to literary sources medical practice and legal culture
