

Praise for **TOUGH LOVE**

"Susan Rice's intellect, strategic prowess, and integrity are unrivaled among today's national security leaders. I have seen firsthand how she has achieved vitally important results for American interests and values. *Tough Love* finally reveals who Susan Rice really is, much of which has been lost or misunderstood in public portrayals of her. The fearless, compassionate, funny, and willful woman whom I have known since she was a child emerges as she shares with bracing honesty her challenges with family, motherhood, and leadership in the most demanding of male-dominated fields."

—**MADELINE ALBRIGHT**, former Secretary of State

"Susan Elizabeth Rice is one of the most gifted, tenacious, and influential foreign-policy voices of our times. In reading these pages, it's easy to see why President Obama would trust her to give him the clearest assessment of the facts on any day, at any moment, and to offer him unwavering counsel on how best to keep the country safe. At the core of Rice's story and brilliant career is a fearless commitment to the truth and an unwavering devotion to the lessons she inherited as the descendant of Jamaican immigrants in Maine and enslaved Africans in South Carolina: to prize education as the path up to the American Dream and to have the confidence to be herself. Rice has given us an inspiring autobiography while making a critically important addition to the history of U.S. foreign policy."

—**HENRY LOUIS GATES JR.**, Harvard University

"This is a breathtakingly honest account by a true American patriot about what it's like to grow up with tough love and then deploy those values on behalf of our nation's foreign policies. Weaving together the personal and the professional, Susan Rice describes how her upbringing in a distinguished but at times struggling family helped prepare her to be a fierce champion of American interests and survive the unfair attacks on her in the aftermath of the Benghazi tragedy. This book will not only inspire you about the true sources of America's greatness, it will also provide some lessons in empowerment, tenacity, and fearlessness."

—**WALTER ISAACSON**, New York Times bestselling author of *Leonardo da Vinci*

"*Tough Love* is a must-read for leaders and their teams. A brilliant, courageous woman with a remarkable personal story, Susan Rice provides a riveting and moving account of rising to the highest ranks in national security and diplomacy along with unmatched insight into the most complex global challenges. She offers a master class for all who aspire to excellence, with invaluable lessons about high-performance leadership and effective management of complex teams in unforgiving circumstances. Her powerful, hopeful appeal to our shared values as Americans and all that we stand to gain by coming together is profoundly inspirational and more urgent than ever."

—**INDER NODDY**, former chairman and CEO, PepsiCo

"A compelling look at what it is really like to work in the inner sanctums of the White House and what it really means to walk the corridors of power. In a gripping display of humor and grace, Susan teases us all to share in her triumphs and her failures—and she teaches some important life lessons along the way. Reading *Tough Love* is like taking a master class in how to be a powerful woman. It's also a classic American tale, relatable to anyone who has ever dreamed of success. I was riveted from the first page to the last."
