Burrell Ph.D, 2013-04-09 This is a valuable book on the topical subjects of love sex and marriage from a practical Christian perspective The author uses clear understandable language to point out the God given purpose of sex in marriage and some of the potential dangers of sexual abuse He explores the early beginnings of new born babies and their subsequent growth over the years to puberty and adolescence Teenagers are like strangers in a foreign country They are experiencing a difficult period of transition between childhood and adulthood At this crucial stage of their development young people have a keen interest in fashion music and sex Many are sexually active and some begin to think about marriage and family life although they often confuse love with lust and they are not mature enough to assume the responsibility of parenthood *Teenage intimacies* Hannah Charnock, 2025-03-25 *Teenage Intimacies* offers a new account of the sexual revolution in mid twentieth century England Rather than focusing on Swinging London the book reveals the transformations in social life that took place in school playgrounds local cinemas and suburban bedrooms Based on over 300 personal testimonies *Teenage Intimacies* traces the everyday experiences of teenage girls illuminating how romance sex and intimacy shaped their young lives The book shows how sex became embedded in ideas about growing up and explores how heterosexuality influenced young women's social lives and vice versa It offers new explanations of why sexual mores shifted in this period revealing the pivotal role that young women played in changing sexual values cultures and practices in the 1950s 1960s and 1970s *Cultural Psychology* Robyn M. Holmes, 2020-01-30 *Cultural Psychology* draws upon major psychological topics theories and principles

social and cultural patterns that shape the social imaginaries of young people Rather than seeing the problem as young people abandoning faith the Christian community should see the issue as young people exchanging one form of faith for another This allows the church to approach the issue from a posture of love calling young people to embrace their identity in the new humanity revealed in the death and resurrection of Jesus Christ

Selection of the Year's Best Books for Children Child Study Association of America,1962 *Searching the Heart* Karen Lystra,1992-06-25 In January 1862 Charles Godwin courted Harriet Russell ultimately unsuccessfully with the following lines Like cadences of inexpressibly sweet music your kind words came to me causing every nerve to vibrate as though electrified by some far off strain of heavenly harmony Almost ten years later Albert Janin upon receiving a letter from his beloved Violet Blair responded with I kissed your letter over and over again regardless of the small pox epidemic at New York and gave myself up to a carnival of bliss before breaking the envelope And in October 1883 Dorothea Lummis wrote candidly to her husband Charles I like you to want me dear and if I were only with you I would embrace more than the back of your neck be sure In Karen Lystra s richly provocative book *Searching the Heart* we hear the voices of Charles Albert Dorothea and nearly one hundred other nineteenth century Americans emerge from their surprisingly open intimate and emotional love letters While historians of nineteenth century America have explored a host of private topics including courtship marriage birth control sexuality and sex roles they have consistently neglected the study of romantic love Lystra fills this gap by describing in vivid detail what it meant to fall in love in Victorian America Based on a vast array of love letters the book reveals the existence of a real openness even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships Enabling us to enter the hidden world of Victorian lovers the letters they left behind offer genuine proof of the intensity of their most private interactions feelings behaviors and judgments Lystra discusses how Victorians anthropomorphized love letters treating them as actual visits from their lovers insisting on reading them in seclusion sometimes kissing them as Albert does with Violet s and even taking them to bed She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home Through the medium of love letters *Searching the Heart* allows us to enter unnoticed the Victorian bedroom and parlor We will leave with a different view of middle class Victorian America **National Library of Medicine Catalog** National Library of Medicine (U.S.),1966 United States Educational, Scientific, and Cultural Motion Pictures and Filmstrips: Education Section 1958, Selected and Available for Use Abroad United States Information Agency,1959
