Love And Remembrance:

Memorials of love and remembrance... American Memorial Company,1934* Love's Forgiveness John Lippitt,2020-09-25 Love s Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard s discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean s *Dead Man Walking* Thordis Elva and Tom Stranger s *South of Forgiveness* and Ian McEwan s *Atonement*

The Album of Love; Containing Love Thoughts [in Verse] by Many Contributors ALBUM,1840 **Marion, Love, and Nihilism** Matthew C. Kruger,2024-11-19 The foundation of this book is the work of Jean Luc Marion who writes at length about the problems of vanity and nihilism and offers an answer in love specifically Christian love A complication that arises however is that Marion argues that love is absent in the respective responses to nihilism of Friedrich Nietzsche and Martin Heidegger two figures who play a key role in the development of his thought and who also have their own notions of love In *Marion Love and Nihilism* Matthew C Kruger explores this series of questions by providing first an overview of the responses to nihilism found in these figures then a close reading of Marion s thoughts on the matter before moving to accounts of the concept of love in Nietzsche and Heidegger The book then finishes with a further critique of Marion s work relying on the thought of Nishitani Keiji Kruger argues that while Marion correctly identifies an answer in love as did Heidegger Nietzsche and Nishitani in their own ways Marion s thought ends in world denial and thus fails find a complete answer to nihilism

dying in the narrative of the Bh gavata Pur na India s great text of devotional theism canonized as an integral part of the Vaisnava bhakti tradition The text grapples with death through an imaginative meditation one that works through the presence and power of narrative The story of the Bh gavata Pur na is spoken to a king who is about to die and it enables him to come to terms with his own passing The work does not isolate dying as an issue it treats it on many levels This book discusses how images of dying in the Bh gavata Pur na relate to issues of language and love in the religious imagination of India Drawing on insights from studies in myth literary semiotics and depth psychology as well as from Indian commentarial and aesthetic traditions the author examines the power of myth and narrative storytelling or hari katha and shows how a detailed awareness of the Puranic imagination may lead to a revisioning of some long held presuppositions around Indian religious attitudes toward dying By casting Vaisnava bhakti traditions and Puranic narrative in a fresh light the mythic imagination of the Pur nas takes its place on the stage of contemporary discourse on comparative mythology and literature

Ronald Black,2011-01-28 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim **Amatoria** Jason Potter,2022-01-04 Amatoria is partly a disclosure partly a veil and partly a revelation incorporating the poetic discovery of God as experienced by the living and the dying alike Man knows nothing of death and love until he is clothed in such yet God is always willing to facilitate the transport of life out of one and into the other Amatoria is sublime in its obscurity It has been well said that the devil led the author a little way farther up in the medulla of the brain But it is enough to know that in the self indulgent disorder of the 21st century God still kills the old way
