Love At First Light Postard:

Postcards From My Mind Christopher Setterlund, 2009-12-17 Postcards From My Mind is the first collection of my own personal poetry and song lyrics written over a ten year span from 1996 2006 They explore the vast range of emotions felt through the late teen years and into the twenty something age Anybody can relate to what I have written Charles Baxter, 2012-02-14 As two grown siblings explore their complicated history over one hot Fourth of July weekend they come to terms with the experiences that put such distance between them and discover the imperfect love that ties them from the winner of the PEN Malamud Award and one of our most gifted writers Chicago Tribune Hugh Welch has cared for his little sister Dorsey ever since they were children when Dorsey looked at him as though he were a god But when Dorsey returns to their small Michigan hometown with a successful career as an astrophysicist and a happy family life Hugh who has a long habit of worrying about his sister realizes that it s his own life he has to cure not Dorsey s First Light Mark Hayhurst, 2016-08-19 Now Tonight Before we re sent back to the front Take every bit of money you got Ditch everything else July 1916 Albert Ingham and Alfred Longshaw are crouched in a muddy rat infested trench in France These sharp and funny young soldiers from a battalion of the Manchester Pals are about to take part in one of the most savage assaults in the history of human warfare The Battle of the Somme Their survival is a miracle Their company has lost 600 men Overwhelmed by the sheer horror of the experience neither of them dare stare extinction in the face again So when they are ordered to transfer to the Machine Gun Corps and return to the blood soaked front line they decide for the first time in their young lives to take their fragile destiny in their own trembling hands But becoming a deserter that most embarrassing and shameful sort of fighting man takes more courage than they ever knew they had Mark Hayhurst's play is a gripping thriller that exposes the impact of the First World War on soldiers and their families It follows his acclaimed debut at Chichester Festival Theatre with Taken at Midnight in 2014 which transferred to the West End the following year First Light received its world premiere at Chichester's Minerva Theatre on 10 June 2016 First Light E. Ethelbert Miller, 2001-06-11 Moving beyond the loss of both his father and brother the author tells the story of how love survived in his family When he was about ten years of his father told him how he considered leaving his mother Years later now a writer and a father he looks back on that simple remark and how it shaped him In this book the author explores his development as an African American writer the responsibility of his chosen career and his ambitions to raise the consciousness of black people Back cover **Love and Miss Harris** Peter Maughan, 2021-05-06 Titus Llewellyn Gwlynne actor manager of the Red Lion Theatre has lost a backer who was going to fund a theatrical tour when unexpected salvation appears Their home theatre in the East End of London having been bombed

during the war The Red Lion Touring Company embarks on a tour of Britain to take a play written by their new benefactress into the provinces As they make their vagabond singing way they remain unaware that they leave behind in London a man consumed with thoughts of revenge Revenge which follows them obsessively from town to town ending in its final act before the last curtain This charming series transports the reader to a lost post war world of touring rep theatre and once grand people who have fallen on harder times smoggy streets and shared bonhomie over a steaming kettle Postcards for People in Love Claire Cloninger, 1995-07-21 Each postcard in this book is postmarked from heaven personally signed by the Creator of all True Love And every thought provoking message paraphrased from Scripture will inspire you and your loved one to cherish forgive and nurture each other As you read you will realize how precious your relationship is to God and how deeply He wants you and the one recipient of postcards with the message of love from all over the world The editors of the anthology Love Postcards did an impressive job they gathered a lot of interesting poets and their poems Let's look at the shades of this most powerful feeling let's follow the poets and get to know their memories or desires Let's find out regardless of the cultures and languages in which the poems are created that our longings are similar One hundred eighteen authors take part in this book The anthology Love Postcards brings tender and gentle messages to the whole world Agnieszka Herman Love Hope Light Angela Martini, 2020-04-15 My mother's name is Nexhmije Ibrahimi Nussbaumer and I am a living testament to her philosophies Chief among them is her belief that nothing is finished until there is a happy ending until you reach the light As a young girl growing up in Albania Angela is insulated from the poverty and rising political tensions in her homeland by her mother's loving protective presence But when Angela is nine years old a series of events is set in motion that will forever change the course of her life as well as her mother's Fearing for her daughter's safety Angela's mother Nexhi makes the heartrending decision to send Angela to live with her father in Switzerland where he had fled a few years earlier once Communism began to collapse With her characteristic determination and courage Nexhi overcomes many obstacles to finally reunite with Angela months later and under much different circumstances than either could have imagined Her life s path is changed yet again when she decides to take German language classes to help her integrate into Swiss culture A natural and brilliant teacher Nexhi then uses her hard won knowledge to help other displaced women learn the language in turn bolstering their confidence and emboldening them to start over and make new lives for themselves and their families Reflecting on the lessons of her childhood and the wonderful example set before her Angela is inspired by her mother s efforts to bridge the divide between cultures a lifetime of work that will have a lasting legacy and by her abiding belief in love despite being married three times twice to the same man As much a tribute to the author's beloved mother as it is a personal memoir Love Hope Light is a multigenerational story of tenacity and the resilient power of love and family to overcome adversity My mother's life experiences have shown me that I must not cower before the unknown Being fearless means seizing opportunities wherever they exist Being fearless means never allowing people or circumstances to get in the way of your goals Being fearless means loving like you ve never been hurt before Being fearless means forging a path through darkness to arrive at the light Postcards from Paradise June Keith, 2006-12-01 Detailing life in tiny artsy anything goes Key West where Broadway composers and bestselling authors live on the same funky blocks as housekeepers bartenders and tour guides this updated collection of essays and columns about island life features pieces that first appeared in the Miami Herald Profiles of colorful characters such as an Italian heiress who waits tables a dishwasher with a PhD and a taxi driving opera singer provide a kaleidoscopic portrait of residents living **Postcards from the Middle East** Chris Naylor, 2015-03-20 Newly working and playing in a caste free rowdy paradise married Chris and Susanna Naylor set off for a new life in the Arab world living first in Kuwait then Jordan and finally Lebanon In a region never far from the news they discovered their expectations of war terrorism desert sand dunes men in white robes and veiled women camels and Kalashnikovs indeed their own reasons for being there were to be constantly challenged As they found out the reality bore little resemblance to their pre conceptions Postcards from the Middle East is a tale of love from one family s experiences a story of work schooling friendships worship and shared family life lived out in precious communities against a back drop of world changing events and spectacular scenery The Naylors had never experienced such hospitality danger wildlife spectacles or snow before they moved to the Middle East Their story provides a multi coloured window on an extraordinary and rapidly changing Arab world Postcards from Absurdistan Derek Sayer, 2022-11-22 A sweeping history of a twentieth century Prague torn between fascism communism and democracy with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural and political history of Prague from 1938 when the Nazis destroyed Czechoslovakia s artistically vibrant liberal democracy to 1989 when the country s socialist regime collapsed after more than four decades of communist dictatorship Derek Sayer shows that Prague s twentieth century far from being a story of inexorable progress toward some end of history whether fascist communist or democratic was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan Situated in the eye of the storms that shaped the modern world Prague holds up an unsettling mirror to the absurdities and dangers of our own times In a brilliant narrative Sayer weaves a vivid montage of the lives of individual Praguers poets and politicians architects and athletes journalists and filmmakers artists musicians and comedians caught up in the crosscurrents of the turbulent half century following the Nazi invasion This is the territory of the ideologist the collaborator the informer the apparatchik the dissident the outsider the torturer and the refugee not to mention the innocent bystander who is always looking the other way and V clav Havel's greengrocer whose knowing complicity allows the show to go on Over and over Prague exposes modernity s dreamworlds of progress as confections of kitsch In a time when democracy is once again under global assault Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the

Ziomek, 2020-10-26 A grandson's photo album Old postcards English porcelain A granite headstone These are just a few of the material objects that help reconstruct the histories of colonial people who lived during Japan's empire These objects along with oral histories and visual imagery reveal aspects of lives that reliance on the colonial archive alone cannot They help answer the primary question of Lost Histories Is it possible to write the history of Japan's colonial subjects Kirsten Ziomek contends that it is possible and in the process she brings us closer to understanding the complexities of their lives Lost Histories provides a geographically and temporally holistic view of the Japanese empire from the early 1900s to the 1970s The experiences of the four least examined groups of Japanese colonial subjects the Ainu Taiwan's indigenous people Micronesians and Okinawans are the centerpiece of the book By reconstructing individual life histories and following these people as they crossed colonial borders to the metropolis and beyond Ziomek conveys the dynamic nature of an empire in motion and explains how individuals navigated the vagaries of imperial life Your Father's Voice Lyz Glick, Dan Zegart, 2013-09-17 It seemed like just plain bad luck On September 11 2001 Jeremy Glick boarded United Flight 93 only because a fire at Newark Airport had prevented him from flying out the day before That morning he called his wife Lyz to tell her the plane had been hijacked and that he and a group of others were going to storm the cockpit an effort that doomed Glick and his fellow passengers yet doubtless saved lives on the ground and instantly became known worldwide as a heroic moment of resistance But Lyz wanted the couple's daughter Emmy only three months old when the plane crashed to learn much more of her father s story than just the ending Your Father s Voice narrates Lyz s struggle to come to grips with her husband's death in a series of letters from Lyz to Emmy that give a wrenching but clear eyed account of Lyz s first years without Jeremy The letters also portray the rebellious but charismatic star athlete who became Lyz s high school sweetheart a national collegiate judo champion and finally her husband We see Lyz s medical ordeal as she tries to bring Emmy into the world Jeremy's tender nurturing of the premature baby and the agony of his final telephone call from the ill fated plane But it is during the first frantic months after the terrorist attack as she fends off the media and fights to get the truth about what happened on Flight 93 that Lyz realizes that she and Jeremy are still deeply connected that his love for her and Emmy endures and teaches Soon Lyz can write to Emmy that she believes it was destiny not luck that put a world class martial artist like Jeremy on an airplane with other men and women who were also determined to fight back Through it all Lyz pragmatically details the challenges of a single parent raising a daughter in the aftermath of horrific tragedy and urges Emmy to listen for what Lyz can still hear when the wind is right her father s voice **Postcards From Last Summer** Roz Bailey, 2013-10-15 Darcy Tara and Lindsay are the best of friends who reconnect every summer for a few weeks of catching up and living easy The summertime is anything but boring for these three strong women who indulge in the best of what s in season romance excitement and the time of their lives The Book of Love Kathleen McGowan. 2012-12-11 Once there was a gospel written in Christ's own hand a treasure of almost unimaginable magnitude referred to by the

Cathars of medieval France as The Book of Love Fresh from her successful search for the long hidden scrolls written by Mary Magdelene journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago so there are those today who are equally determined that its radical message should never be revealed In a race across Italy and France new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity Combining expert research with dazzling plot twists The Book of Love is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art architecture and history until a potentially fatal encounter reveals the Book of Love to her and to us **Postcards from the Road** Jonathan Day, 2014-05-01 Walker Evans said in his 1958 introduction to Robert Frank's The Americans For the thousandth time it must be said that pictures speak for themselves wordlessly visually or they fail The images revolutionized post war American photography With their candid images of men and women from all classes and walks of life the photographs presented a very different story than that portrayed by the wholesome caricature of midcentury prosperity pervading American photography at the time Although initially dismissed by his peers for his pioneering work Frank was ultimately credited with changing the course of the art form and his photography holds a secure status in the history of twentieth century art And he did all this without words It seems appropriate then and not a little overdue that Jonathan Day has created a book that expounds explores and examines Frank s work pictorially Taking Frank s iconic images as his point of reference Day shot new photographs that commented on the road and contemporary America Here these images are paired with critical commentary that details the aspects of the work that are visually expounded and explained in Day's complementary images A visual entryway to the photographs and themes of this iconic book in the history of photography Postcards from the Road represents an innovative carefully considered departure from standard photographic textbooks <u>Leaves Subsiding</u> M. Yoshida McCurry, 2010-05 Leaves Subsiding is a tale of two twins the brash narrator and her subject twin sister Evelyn an emotional idealistic and easily damaged young woman The story follows Evelyn through happy and disappointing discoveries while trying to make her way in the world after graduating early from college She deals with love and loss in its many forms and comes to realize that happiness comes from the inside not from outside experience but inner understanding
