Lanier].** Sidney Clopton Lanier,1891 The Erotic Phenomenon Jean-Luc Marion,2024-07-12 While humanists have pondered the subject of love to the point of obsessiveness philosophers have steadfastly ignored it One might wonder whether the discipline of philosophy even recognizes love The word philosophy means love of wisdom but the absence of love from philosophical discourse is curiously glaring So where did the love go In The Erotic Phenomenon Jean Luc Marion asks this fundamental question of philosophy while reviving inquiry into the concept of love itself Marion begins his profound and personal book with a critique of Descartes equation of the ego s ability to doubt with the certainty that one exists I think therefore I am arguing that this is worse than vain We encounter being he says when we first experience love I am loved therefore I am and this love is the reason I care whether I exist or not This philosophical base allows Marion to probe several manifestations of love and its variations including carnal excitement self hate lying and perversion fidelity the generation of children and the love of God Throughout Marion stresses that all erotic phenomena including sentimentality pornography and even boasts about one s sexual conquests stem not from the ego as popularly understood but instead from love A thoroughly enlightening and captivating philosophical investigation of a strangely neglected subject The Erotic Phenomenon is certain to initiate feverish new dialogue about the philosophical meanings of that most desirable and mysterious of all concepts love *Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments* ,1966 *The French Immortals Series (Complete)* Various, A Woodland Queen; 'Reine des Bois' André Theuriet,2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage A Woodland Queen ('Reine des Bois') — Complete Andre Theuriet,2024-01-01 A Woodland Queen Reine des Bois Complete by Andr Theuriet is a captivating novel that immerses readers within the mesmerizing splendor of the French geographical region First published within the overdue 19th century the narrative weaves a tapestry of romance
