Why Does Love Hurt so Good? Ondray Pearson,2019-10-30 Why Does Love Hurt So Good It is hard to explain why we stay with someone who isn t treating or loving them the way they should Staying some would say is foolish unhealthy and not normal and they re right but for you to understand the why you must experience loving someone first hand because until you do you have no idea the power that love has over many of us Within these stories you will read and experience what people will do to have someone love them Sex lies deception betrayal abuse and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship As you read you will at some point have to rethink what you thought you knew about love because contrary to what many think and believe not all love is good love that we receive from those we love Readers are talking Avis Parter from Fayetteville North Carolina says It truly touched my soul I saw myself in it I loved it I cried because it was so my life I needed this book three years ago Deborah Antrum St Louis Missouri says I read your book and I love it I let my daughter read also I am looking forward to what you have in the making you have my FULL support Pastor Ricardo Manuel from Savannah Georgia says The book is a great read I recommend that you get a copy and read it for yourself

that is so much less than we had envisaged these are only some of the ways in which the search for love is a difficult and often painful experience Despite the widespread and almost collective character of these experiences our culture insists they are the result of faulty or insufficiently mature psyches For many the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives The purpose of this book is to change our way of thinking about what is wrong in modern relationships The problem is not dysfunctional childhoods or insufficiently self-aware psyches but rather the institutional forces shaping how we love The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice The samples from which men and women choose a partner the modes of evaluating prospective partners the very importance of choice and autonomy and what people imagine to be the spectrum of their choices all these aspects of choice have transformed the very core of the will how we want a partner the sense of worth bestowed by relationships and the organization of desire This book does to love what Marx did to commodities it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors
