Love Makes No Sense Jennifer Strawbridge ,Jarred Mercer,Peter Groves ,2019-01-30 The Christian faith is something people practice The Church prays listens to the Scriptures celebrates the sacraments cares for the suffering and liberates the oppressed This is where the task of theology begins In Love Makes No Sense each chapter engages central issues of theology but remains focused on the Christian life Although it is a book about doctrine Christian teaching it insists that one cannot present a doctrine of the Trinity or Incarnation or anything else in the abstract Teaching

divorced from everyday life is not Christian teaching This does not mean this book is primarily practical as opposed to theological It is an invitation to Christian theology that refuses to separate the two The aim of this book is not to satisfy the intellect but to train its readers through approachable theological teaching to live the love that Christian theology proclaims Suitable for people looking to explore Christian theology more deeply be they life long Christians who want a deeper understanding of their faith new Christians or those who are interested in the Christian faith and looking to find out more

Love in Contemporary British Drama Korbinian Stöckl,2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays

from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned **The Love of God** Christopher W.

Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series **Heaven and its Wonders, and Hell. ...
