The Land We Love ,1866 Love Alan Hines,2019-07-22 Love poetry to stimulate minds to enhance the love to design to create peace for mankind Love Again Stephie Claire, Pine Valley spells small town charm with a capital G O S S I P World famous author Darby Grace didn t just write a bestselling series she built a franchise that landed her in the Hollywood spotlight with fame fortune and a bad case of writer s block Needing inspiration she escapes to the quirky little town where it all began Pine Valley isn t the only thing Darby left behind when her books became best sellers and Hopper O Reilly hasn t forgotten being written off Once upon a time he thought they might share forever but her story interrupted the happily ever after they had planned The longer she s back the more Hopper uncovers the woman he remembers and The Great Darby Grace finds her pulse racing fast for an old flame who ruffles her feathers and steals her heart Rumor has it this spunky second chance love story just might have a happy ending **Choosing Love** Betsy Horvath,2019-10-21 Making the right choice should be easy Jenny Kline arranged her entire life around her love of art and being an artist But sometimes money matters too Like when she suddenly loses both of the crap jobs that support her Bills to pay Jenny takes a step she avoided for years working for her mother the chief of police in the office at the Hardy Falls police station Which also means spending almost every day with her nemesis the incredibly aggravating far too enticing Police Officer Harry Newman Harry made it a point to avoid Jenny Kline from the moment he joined the town s police force After all she might be smoking hot but getting involved with the boss s daughter could put everything he worked so hard to achieve at risk Except now the temptation to take that chance might be more than he can resist Wildly passionate and sinfully sexy Choosing Love asks whether a free spirit and a man who holds on tightly to his secrets can ever find true happiness together Will they make the choice to follow their hearts Choosing Love is the fifth book in the Welcome to Hardy Falls series It s a contemporary romance with strong language sexy times and two people who probably should have just kept on ignoring each other But where s the fun in that

Blinded by False Love Adynah Yah,2023-05-28 The life of a woman who met and married an incarcerated narcissistic man this book will take you on a journey of lies cheating and mental abuse as she finds her strength and courage to let go move forward and heal **The Politics of Love** Rebecca Joubin,2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty

miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman s sexuality thereby allowing for full equality in relationships as the basis of a truly free society
