

Family I love  
In the valley of love,  
Love of family is so strong,  
It's not for some time,  
It's for throughout and so long,  
I oh so love my family so much,  
I will forever stay with them,  
Coz they are my true support

## **Love Is Forever Poems In Family Life:**

**My Poems of Life** Elizabeth Gray, 2012-02 Elizabeth Gray's first book *I Relived My Nightmare From Hell* was a prelude to this one. Some of the poems written here were first incorporated in the preceding memoir as a different form of relating. Both books show her dramatic search for her own self-discovery. She has succeeded mainly in her battle with Agoraphobia. This came to the surface as told in her own words. Elizabeth's journey on her way to recovery is shown in a unique manner. All her poems come dancing on paper before your very eyes. Her words, which were dormant for years, come to life. Victory took many years to attain, but her solid determination and faith became the key factors. Elizabeth is married to Leo, the love of her life for over fifty years. They lead a simple life along with their dog Gretel and both still work in their now golden years.

Poetry Dakota-Luise Wolf, 2015-04-08 A poem that everyone can relate to for every mood and occasion. A collection of poetry of comfort, confidence, courage, fear, friendship, love, loss, memories, and vulnerability. A poem for every emotion that we all feel. These pieces serve not only as a measure of Brodsky's evolution as a poet but as a human being chronicling one man's struggle to find his purpose in life, to make a place for himself in a society often at odds with his own convictions. His hopes, fears, and frustrations permeate the work, revealing the intense inner conflicts he felt compelled to set to paper from individual matters, his indecision over vocational goals, his candid experiences with love and rejection, the overwhelming isolation inherent in his academic pursuits, to more global concerns, especially his acute awareness of the increasing social and political turbulence surrounding him. By grappling with these issues in his writing, he explored passionate emotions, released tension, and at times resolved doubts evoked through his introspection. But more important, he used this outpouring to hone his creative skills and develop his personal and professional identity, ultimately creating this tangible record of his travail and his ecstasy, his certitude and his confusion, and finally his journey into the heart of the person he would never stop becoming. a poet.      *Lenard D. All That I Am with Thoughts and Dreams Tanya Lynn Walker,2010-05-21 In understanding who I am and the journey it took to get me from one point in my life to another I have written this book of poetry as the link to a creative process of true and honest emotions I am the force behind my own energy and fate Through purpose and passion it is with joy and happiness I share my unshakeable truths My world revolves around interpretations of rhythm and rhyme While some may view these poems as thought provoking they are merely words of beauty and power that surround me in my space and time The passion and light reflected in this book are responses to inspirations tragedies love and faith a way that helps me to connect with the modern reader They are words that I have spoken and thought of in my mind and heart Poetry is love in any language and because I am in love with life I have written these love songs to those that have achieved something greater than the power of words Poetry is wisdom and the humility that comes from wisdom All the knowledge that I have gained from wisdom comes from heaven I am but a lonely dreamer
