

A Walk with You

By 365poetrydays.com

I use to call you my knight in shining armor,
For you have rescued my weeping heart in bitter fervor,
My hero in the darkest hours of my loneliness,
And broke the shackles of my melancholic distress.

I've been walking this road for several years,
Passed the curves in the shadow of my fears,
Then you held my hand as I took a step,
And together we danced for a blissful leap.

You held me in your arms like there's no tomorrow,
Your smiles have been the antidote of my sorrows,
No longer afraid to surpass a crossroad's uncertainties,
You taught me to drop off my insecurities.

There must've been someone else better for you,
But you define "ME" as the best one for "You",
No longer "I" but "We" is the promise we formulated,
A perpetual journey together is what we have created.

I look behind not with bitter regrets,
For my feet landed me to your memoirs I dare not forget,
We have reached this point with this love so true,
I'd be glad to walk an extra mile with you.

Poetry Bernard O'Donoghue,2019-09-26 Poetry arguably has a greater range of conceptual meaning than perhaps any other term in English At the most basic level everyone can recognise it it is a kind of literature that uses special linguistic devices of organization and expression for aesthetic effect However far grander claims have been made for poetry than this such as Shelley s that the poets are the unacknowledged legislators of the world and that poetry is a higher truth In this Very Short Introduction Bernard O Donoghue provides a fascinating look at the many different forms of writing which have been called poetry from the Greeks to the present day As well as questioning what poetry is he asks what poetry is for and considers contemporary debates on its value Is there a universality to poetry And does it have a duty of public utility and responsibility ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Wolves Eat Deer Philip Jarrett, 2008-11-13 These poems were written over the course of a year I met Megan in August and we fell in love emphasis on the word fell as in losing all sense of balance and toppling head over ass But I was going through a divorce and missed my kids sorely so I broke up with her in the fall I spent the winter of my discontent in a holler in Boone County If you have to be depressed and lonely there is no more suitable place When I finally realized there would be no reconciliation with my ex or reunion with my children I much to my shame but nonetheless heaved a sigh of relief I went back to Megan with a surety in my heart and mind that she was the one I wanted to marry and grow old with Alas my Deer was seeing someone else by then The Wolf And I a grumbling old Bear had to woo her away from him Or as the rather odd title for a book of love poems has it to remind her that Wolves Eat Deer *The Concept of Woman* Prudence

criticism fiction and poetry from a wide variety of feminist theoretical approaches **Horace** R. O. A. M. Lyne,1995-01-01 This fascinating study of one of the greatest poets of the Augustan Age sheds new light on Horace's works by the way it combines literary analysis with investigation into the poet's social and political circumstances Lyne's personal and historical approach focuses on the poet's relations with his patron Maecenas with the Emperor Augustus and with other grandees

Closely analyzing poems from Satires Odes and Epistles Lyne reveals not only the magnificence of Horace's public literature but the private man behind it. He shows how Horace neatly balanced deference with the careful assertion of his own social and political standing. According to Lyne, Horace was a master of private insinuation as well as a skilled maker of public poetry. He was also a master in the art of ordering his works exactly where a poem occurs is often of the subtlest importance. Lyne also examines the resumption of the great political lyric in the Odes of Book 4 set aside in 23 B.C. and contends that beneath the public face Horace here exhibited resentment recording views that undermined earlier patriotic statements.

Forugh Farrokhzad, Poet of Modern Iran Dominic Parviz Brookshaw, Nasrin Rahimieh, 2023-05-04 The pioneering Iranian poet and filmmaker Forugh Farrokhzad was an iconic figure in her own day and has come to represent the spirit of revolt against patriarchal and cultural norms in 1960s Iran. Five decades after her tragic death at the age of 32, Forugh Farrokhzad, Poet of Modern Iran brings her ground-breaking work into new focus. During her lifetime, Farrokhzad embodied the vexed predicament of the contemporary Iranian woman at once subjected to long-held traditional practices and influenced by newly introduced modern social sensibilities. Highlighting her literary and cinematic innovation, this volume examines the unique place Farrokhzad occupies in Iran both among modern Persian poets in general and as an Iranian woman writer in particular. The authors also explore Farrokhzad's appeal outside Iran in the Iranian diasporic imagination and through the numerous translations of her poetry into English. It is a fitting and authoritative tribute to the work of a remarkable woman which will introduce and explain her legacy for a 21st-century audience. This second edition includes two new chapters which explore a travelogue Farrokhzad wrote during her time in Italy and an examination of Farrokhzad's influence on the writings of the Afghan female poet Laila Saradat Rowshani.
