Bennett, 2005-07-18 Sitting in the quiet morning his mind flashed back to his grandson Ethan and his stubborn display of determination to have his way Yes indeed he had to admit he was like his grandson He was also determined and perhaps that was the reason he couldn t escape that memory But he had so many times before relived memories of changes in his life Why Because he always felt great comfort in recalling the many difficult times he had been blessed Times when he had prayed for help like the 23rd mile incidents and had found something deep inside to help him through Though he considered himself a problem solver he felt like he knew his limitations Perhaps that s where he developed the attitude that he could deal with anything with the Lord s help but there were many many things he could not handle unless God helped Still this was uncharacteristic and he was drawn to problem solve **Love, Acceptance and Forgiveness** Margaret Parker, 1984-05-01

A Coach's Life Dean Smith, John Kilgo, Sally Jenkins, 2000-02-29. Legendary University of North Carolina basketball coach Dean Smith tells the full story of his fabled career and shares the life lessons taught and learned over forty years of unparalleled success as a coach and mentor. For almost forty years Dean Smith coached the University of North Carolina men's basketball program with unsurpassed success on the court and in shaping young men's lives. In his long-awaited memoir, he reflects on the great games, teams, players, strategies, and rivalries that defined his career and explains the philosophy that guided him. There's a lot more to life than basketball, though some may beg to differ, but there's a lot more to basketball than basketball, and this is a book about basketball filled with wisdom about life. Dean Smith insisted that the fundamentals of good basketball were the fundamentals of character: passion, discipline, focus, selflessness, and responsibility, and he strove to unite his teams in pursuit of those values. To read this book is to understand why Dean Smith changed the lives of the players he coached, from Michael Jordan, who calls him his second father and who never played a single NBA game without wearing a pair of UNC basketball shorts under his uniform, to the last man on the bench of his least talented team. We all wish we had a coach like Dean Smith in our lives, and now we will have that chance.

Reflecting on the author's experiences as a music thanatologist, Jennifer Hollis's *Music at the End of Life: Easing the Pain and Preparing the Passage* is an enlightening and emotional examination of the ways in which the experience of dying can be transformed with music. *Music at the End of Life* highlights the unique role music has come to play in hospice and palliative medicine. Jennifer Hollis interweaves narrative memoir, the personal experiences of fellow music thanatologists and caregivers, and extensive research to demonstrate the transformative power of music when curing is no longer an option.
