Novel Hist 1895-1920 David Trotter, 2022-02-22 First Published in 1993 Written specifically for students and assuming no prior knowledge of the subject David Trotter s The English Novel in History 1895 1920 provides the first detailed and fully comprehensive analysis of early twentieth century English fiction Whereas all previous studies have been rigorously selective Trotter looks at over 140 novelists across the whole spectrum of fiction from the innovations of Joyce s Ulysses through to popular mass market genres such as detective stories and spy thrillers By examining the novels in both stylistic and historical

terms David Trotter looks at the ways in which writers responded to contemporary preoccupations such as the spectacle of consumption and the growth of suburbia or to anxieties about the decline of Empire racial degeneration and sexual anarchy He also challenges the view that literature of the period can be interpreted as a neat procession from realism to Modernism
