**Sometimes Love Is Not Enough** Bob Hertz, 2013-12 Every year thousands of people are diagnosed with some form of lung cancer Some can be operated on and the cancer taken out Additional forms of chemotherapy might be needed Newer targeted drugs might be employed And still the fear of all who are diagnosed is whether the cancer will spread to other organs and eventually lead to one s demise Treatments in the last decade or so have resulted in longer lives as oncologists work with pharmaceutical companies as trial drug regimens have become more and more specific to each person s DNA When drugs stop working and there appears to be no hope there is at least one type of lung cancer bronchioloalveolar carcinoma a type of adenocarcinoma that might avail itself to a radical cure or at least a very good temporary fix That fix is a single sided or double sided lung transplant While there are many transplant centers around the country most would not even consider a transplant when there is any type of cancer involved There are very few and especially one the University of Pittsburgh Medical Center willing to take such a risk for BAC patients If it is determined that a BAC is staying within the alveoli of the lungs and not metastasizing to other organs UPMC will consider taking this risk because of all their experience in lung transplantation since the late 1980s That is why our oncologist recommended we find out more about this program and why we ended up choosing to work with them for my wife s condition Susanne is my wife of thirty seven years She hugs my soul every day She has gone through many many medical procedures but this one was the most important procedure of her life and it all started with a cough

When Love Is Not Enough! Jessica Barragan, 2020-04-08 Many women have unrealistic expectations when it comes to love They believe love is enough to sustain a relationship or marriage Some even think they can change their men and when it all fails they are left in a disappointing relationship or marriage They failed to realise that from the beginning of courting or dating process that s when they should have set boundaries of what they wanted and what not in relationship Unfortunately many stay in a bitter relationship or marriage and feel like they can t get out or get any better But this is not the end it s the beginning of finding the new and improved you

**When Love Is Not Enough** Dr. Thomas L. Page, 2011-06-17 America is losing touch with her young African American male population Parents are losing touch with sons and sisters are losing touch with brothers Why is this Why are adolescent black males becoming lost to their own self destructive behaviors Most parents aren't going to like to hear it but it's due to a lack of spirituality in upbringing If a young man does not build his foundation on spirituality he is left

to build it on society Dr Thomas Page has spent much of his career studying and counseling the African American males of America He has seen the devastation caused by a life without spirituality and it is partially the fault of the parents Parents force their children to get up and go to school every morning and yet on Sunday they allow the children to choose whether they will go to be spiritually fed This choice could lead to the childrens downfall When Love Is Not Enough calls for a return to the notion of spirituality as the center of the household By identifying with spirituality young men can avoid identifying with drugs alcohol and illegal activities Children must be spiritually fed in order to become spiritually satiated adults Its not too late Turn back to the strong foundation of spirituality your children will thank you for it **Love Is Not Enough:**
