**Awareness of the Heart** Dennis Maglinte,2011-01-06 So often in many people s lives there is an awakening For some it comes out of nowhere and for others it seems as though it has always been Seemingly from darkness a light turns on and all that was once confusing becomes clear and all that was once hidden is revealed Some call this enlightenment Some call this a revelation Some call this peace I call it an awareness of the heart The following passages were written between late 2002 until 2010 Inspired by those around me including loved ones family friends and strangers and by the happenings of the world we share my heart was poured onto paper Though these words were written by my hand and sometimes spoken by my tongue there is nothing unique about them for the stirring in me is also in you So whether you choose to read the following passages in order read it backwards or randomly allow yourself to pick a page don t follow me Instead take a journey into your own heart and see where it takes you Throughout these pages you will find references to God Allah Great Spirit The Divine Elohim Yahweh Jehovah He who has no name and a myriad of other beliefs Though our words and our thoughts may differ today allow yourself to read with an open mind an open heart and an open spirit Let your heart inspire you Let God work through you by being you

**Life, Love, and Sex** Joseph H. Casey S.J.,2004-04-12 People are being forced today to take a stand on same sex marriage assisted suicide and capital punishment As they ponder how to vote on these issues a critical question emerges Is this morally right At the same time people have become confused about the morality of sex in general What should they teach their teenagers and how talk with their older sons and daughters about living together Undergirding current sexual practice is the unquestioned acceptance of contraception Should contraception be explicitly examined Besides clarifying each issue I let the reader know what the Church teaches using the Catechism of the Catholic Church and Pope John Paul II's encyclicals And I show how reasonable the Church s position is utilizing the writings of Germain Grisez a distinguished lay moral theologian and philosopher To ensure readers understand Grisez s solutions to these diverse issues I explain in simple terms his ethical approach Non Catholics will find especially significant the human

reasoning behind such teachings They and Catholics can dialogue on this level The Pope s early writings on conjugal love may prove impressive People just do not discuss abortion today for positions seem hardened and unbreachable By posing a series of fundamental questions logically interrelated I hope to breach the unbreachable At least it will be clear precisely where participants part company from one another The most sensitive issue I find to be homosexuality I have rewritten the treatment a number of times in an effort to be clear fair and sensitive      *Faith, Hope, and Love* Troy DuJardin, M. David Eckel, 2022-07-22 These essays consider the three traditional theological virtues faith hope and love alongside their opposites doubt despair and hate from a scholarly perspective The volume includes contributions not just from philosophers of religion but also from psychologists sociologists and film and literature scholars to paint a complex and nuanced picture of these virtues both of how we might understand them and how we can hope to embody them ourselves While these virtues make up a core part of the Christian tradition the chapters here go far and wide in search of different cultural conceptions of these universal human concerns Inquiries are made into these virtues within Hindu Buddhist Jewish and Islamic thought alongside philosophers including Aristotle Hegel Kierkegaard Nietzsche Levinas and Murdoch The resulting tapestry is often beautiful sometimes horrific but always thoroughly human This text appeals to students and researchers working in these fields Chapter 9 is available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](https://link.springer.com)
