Love in the Time of Self-Publishing Christine M. Larson, 2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In Love in the Time of Self Publishing Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of

relationships can amplify or mute certain voices Romancelandia's experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia's rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members I Love You With All My Heart: Extracurricular - Book 3 of 3 Josie Brown, 2019-10-08 IN THE THIRD AND FINAL NOVEL OF THE EXTRACURRICULAR EPISODIC SERIES A tragic death catalyzes a power play for control of Ashbury Academy's trustee board Daniel's covert actions however have Audrey questioning his vow to protect Lavinia's legacy at the school The arrests resulting in the FBI's investigation into Miranda's college admissions fraud bring tragedy to some of the families involved and unexpected opportunities to others Can Ashbury Academy survive this scandal An even bigger question Will Audrey's marriage and her family fall apart after her long held secret is finally revealed *Love Like that and Other Stories*, 2012 **Love Is the Killer** Tim Sanders, 2003-11 Yahoo director Tim Sanders shows that the only way to succeed in business in the 21st century is through love In this motivational book he presents a three step programme that anyone can follow for optimum success and happiness in the workplace
