**The Case Against Man and Woman - Screenplay** Christopher Alan Anderson, 2014-10-09 The author's original screenplay on the battle of ideas the war of world views and a philosophy on trial What will be your verdict concerning The Case Against Man and Woman we have never been able to touch the eternal for we have never understood that we can only touch it though each other A man touches the eternal in a woman when he gives his life to her That is what the sexual embrace is for a man he is giving his whole life over to woman A woman in receiving that touch unites with it and in turn gives her life to him in the next rebirth of life You see the great discovery of our times is that the procreant and the eternal are one Urge urge urge always the procreant urge of the world as Walt Whitman says in his Leaves of Grass But let us not make the mistake of seeing this procreant process as only physical It is metaphysical It is happening right now Feel it Feel your other half with you right now Touch him or her with your heart and never ever let them go The challenge of our lives is to stand on this procreant love now and forever Keywords Procreant Balance Love Man Woman Two Forces Eternal Metaphysical Philosophy Sex

**Churchill Plays: 1** Caryl Churchill, 2013-12-10 In Traps a set of characters meet themselves and their pasts to create plenty of sinewy lines and joyous juxtapositions Plays and Players Vinegar Tom is set in the world of seventeenth century witchcraft but it speaks through its striking images and its plethora of ironic contradictions of and to this century Tribune Light Shining in Buckinghamshire is set during the Civil War and unflinchingly shows the intolerance that was the obverse

side of the demand for common justice Deftly it sketches in the kind of social conditions that led to hunger for revolution The play has an austere eloquence that precisely matches its subject The Guardian Cloud Nine sheds light on some of the British Empire's repressed dark side and is a marvelous play sometimes scurrilous always observed with wicked accuracy and ultimately surprisingly rather moving It plunges straight to the heart of the endless convolutions of sexual mores and does so with acrobatic wit Guardian Owners I was in an old woman's flat when a young man offering her money to move came round that was one of the starting points of the play Caryl Churchill The plays in this volume represent the best of Churchill's writing up to and including her emergence onto the international theatre scene with Cloud Nine *Ovid on Screen* Martin M. film really is It is a film in which Hitchcock the consummate virtuoso was in full command of his technique One of Hitchcock's favorite films Rear Window offered the ideal venue for the great director to fully use the tricks and ideas he acquired over his previous three decades of filmmaking Yet technique alone did not make this classic film great one of Hitchcock's most personal films Rear Window is characterized by great depth of feeling It offers glimpses of a sensibility at odds with the image Hitchcock created for himself that of the grand ghoul of cinema who mocks his audience with a slick and sadistic style Though Hitchcock is often labeled a misanthrope and misogynist Fawell finds evidence in Rear Window of a sympathy for the loneliness that leads to voyeurism and crime as well as an empathy for the film's women Fawell emphasizes a more feeling humane spirit than either Hitchcock's critics have granted him or Hitchcock himself admitted to and does so in a manner of interest to film scholars and general readers alike
