

Dear Darling,

I have been dreaming about
you all my life and today
I am expressing my love for
you. I believe in miracles and
that's why I am asking you
whether you will be my val-
entine for the rest of my life.
My tender love and my kisses
are always with you.

With love.

Love Notes And Letters And The Letter Case

Anna Tiziana Drago, Owen Hodkinson

Love Notes And Letters And The Letter Case:

Love Notes and Letters Madame de Villedieu, 2005 This volume offers the first translation into English of two seminal works by the seventeenth century French woman author Marie Catherine Desjardins better known as Madame de Villedieu The first of these works *Lettres et billets galants* Love Notes and Letters was published in 1668 and contains her most intimate letters to her lover Antoine de Villedieu The second work *Le Portefeuille* The Letter Case which appeared in 1674 is an epistolary novel composed of a series of ten letters from the Marquis de Naumanoir to a nobleman in the provinces These letters recount in a delightfully playful manner the amorous misadventures and intrigues of a half dozen Parisian socialites This work's close ties in terms of content and form to the publication of Villedieu's *Lettres et billets galants* six years earlier make it a perfect complement The author's introduction offers not only a critical interpretation of these works but stresses the importance of the publication of Desjardins' authentic correspondence as a turning point in her career and key to her later works

Communication of Love Eva L. Wyss, 2014-11-15 By the end of the twentieth century certain new media had established themselves which have profoundly changed communication among lovers SMS and email in particular have created new relational forms and forms of intimacy From declarations of love on talk shows to televised dating games and marriage quiz shows television offers a panoply of wildly popular theatrical communications of love Does the neglecting of traditional communication media such as love letters and the telephone cause the intermingling of intimacy with the public sphere and hence the abrogation of it From the disciplines of sociology history cultural and media studies and linguistics this book offers answers to this question by analyzing and discussing new media from various perspectives Contributions by Eva Illouz Joachim R. H. Friedrich Krotz Helga Kotthoff Karl Lenz Sabine Maasen and others

The Conservative Case for Class Actions Brian T. Fitzpatrick, 2022-02-19 Since the 1960s the class action lawsuit has been a powerful tool for holding businesses accountable Yet years of attacks by corporate America and unfavorable rulings by the Supreme Court have left its future uncertain In this book Brian T. Fitzpatrick makes the case for the importance of class action litigation from a surprising political perspective an unabashedly conservative point of view Conservatives have opposed class actions in recent years but Fitzpatrick argues that they should see such litigation not as a danger to the economy but as a form of private enforcement of the law He starts from the premise that all of us conservatives and libertarians included believe that markets need at least some rules to thrive from laws that enforce contracts to laws that prevent companies from committing fraud He also reminds us that conservatives consider the private sector to be superior to the government in most areas And the relatively little discussed intersection of those two beliefs is where the benefits of class action lawsuits become clear when corporations commit misdeeds class action lawsuits enlist the private sector to intervene resulting in a smaller role for the government lower taxes and ultimately more effective solutions Offering a novel argument that will surprise partisans on all sides *The Conservative Case for Class Actions* is sure to breathe new life into this long running debate

The Last Words and Letters

of Christopher Love Christopher Love,2012-11-28 Christopher Love's political leanings and involvements had him arrested by Oliver Cromwell's forces for his alleged plan to raise money for the restoration of the monarchy a charge Love denied He was arrested along with six other prominent ministers in London all Presbyterians including Thomas Watson for treason The rest were released after six months but Love was beheaded on Tower Hill London on August 22 1651 This work is a vindication of Love's position while also housing a number of documents that have not been previously published including the last sermon he ever preached which was on Job 30 23 and his final words immediately before being executed The letters contained in this volume are eminently spiritual and practical And the vindication itself demonstrates a thoroughly biblical pattern of being zealous for a good name Throughout this work Love's last words are a testimony to God's grace and his convictions of standing before God and men without guile This is not a scan or facsimile and contains an active table of contents for electronic versions

Love Letters from Golok Holly Gayley,2016-12-06 Love Letters from Golok chronicles the courtship between two Buddhist tantric masters T re Lhamo 1938 2002 and Namtrul Rinpoche 1944 2011 and their passion for reinvigorating Buddhism in eastern Tibet during the post Mao era In fifty six letters exchanged from 1978 to 1980 T re Lhamo and Namtrul Rinpoche envisioned a shared destiny to heal the damage done to Buddhism during the years leading up to and including the Cultural Revolution Holly Gayley retrieves the personal and prophetic dimensions of their courtship and its consummation in a twenty year religious career that informs issues of gender and agency in Buddhism cultural preservation among Tibetan communities and alternative histories for minorities in China The correspondence between Tare Lhamo and Namtrul Rinpoche is the first collection of love letters to come to light in Tibetan literature Blending tantric imagery with poetic and folk song styles their letters have a fresh vernacular tone comparable to the love songs of the Sixth Dalai Lama but with an eastern Tibetan flavor Gayley reads these letters against hagiographic writings about the couple supplemented by field research to illuminate representational strategies that serve to narrate cultural trauma in a redemptive key quite unlike Chinese scar literature or the testimonials of exile Tibetans With special attention to Tare Lhamo's role as a tantric heroine and her hagiographic fusion with Namtrul Rinpoche Gayley vividly shows how Buddhist masters have adapted Tibetan literary genres to share private intimacies and address contemporary social concerns
