Love One Another Every Christians Guide To Evangelism:

Loving One Another Gene A. Getz, 2002 *Loving One Another* focuses on an important New Testament principle God's plan is that local bodies of believers functioning as loving and caring units provide a dynamic community in which both personal witnessing and evangelistic preaching can become intensely productive This new updated edition of the 1979 classic includes a personal and group study guide

Following Jesus Christ Kate I. Igwe, 2014-01-27 Crowds of people follow Jesus Christ for different reasons Many follow Him because they want Him to solve their problems They stop following Him once their problems are solved or not solved Only a few follow Him out of genuine love and total surrender to His lordship and salvation Following Jesus Christ is written to groom disciples who will deny themselves take up their cross daily and follow Jesus Christ all the way seek first the kingdom of God and His righteousness develop personal relationship with the Lord and enjoy the ministry of the Holy Spirit thereby living victoriously every day

The Evangelistic Love of God & Neighbor Bishop Scott J. Jones, 2010-08-01 There are it seems as many definitions of the term evangelism as there are people doing the defining For some it means proclaiming the gospel to those who have not heard it To others it means making disciples of Jesus Christ To others it means working for the transformation of the world into the kingdom of God For still others it has principally to do with building vibrant healthy congregations Underlying this confusion is a fundamental inability to locate the practice of evangelism within one's overall theological convictions We will never understand the part that proclamation disciple making kingdom building and church growth play in evangelism until we first ask a more important question What does evangelism have to do with who God is What is it we know about God that makes evangelism a central part of what it means to be Christian In this comprehensive theology of evangelism Scott J Jones proposes to ground the practice of evangelism in an understanding of God's love for the world specifically as seen in the incarnation of God in Christ In Jesus God took on all of what it means to be human Because of this evangelism must be a ministry to the whole person The typical distinctions between soul winning social action and church growth evaporate individual conversion and acts of mercy are part of the same ministry of bringing persons more fully into the reign of a loving God
