The Untold Story Rebecca Kaddi, 2014-06-27 Author and writer Rebecca Kaddi has a passion for saving souls and building marriages In this book she provides a true account of how Satan used his agent in the church to destroy marriages and Christians She explains that as a sign for the end times deception is on the rise even in the churches Deception is no longer dark for you to be able to distinguish easily It appears just as written in 2 Corinthians 11:13-14 For such are false apostles deceitful workers transforming themselves into apostles of Christ And no wonder For Satan himself transforms himself into an angel of light NKJV It is now very difficult to tell the difference between righteous and unrighteous good and evil clean and unclean holy and unholy and sacred and secular The false prophets select the parts of the scripture that will support their philosophical and psychological intentions and deceive many into thinking that they are real It is time for men and women to guide themselves with the spirit of discernment This book reveals what to watch for so that you do not fall into their traps They generally do not preach salvation They may call the name of God and Christ but will never want you to be saved They make you feel good and comfortable and never challenge you to come out of your sins and submit to God

Puzzle Master T.J. McKenna, 2023-02-13 Cephas Paulson was born to solve puzzle that nobody else can solve a talent the U S government has exploited with deadly results Living in 2202 A D his is a world dominated by apathy and hedonism where religion is banned and the few remaining Christians hide in the shadows Known worldwide as The Cult Hunter Cephas is largely responsible for putting them there Now living a quiet life as a religious history professor Cephas is reluctantly called out of retirement when the government sends him on a high stakes mission designed to crush Christianity once and for all As the puzzles begin to unravel Cephas struggles to find the one answer that has always eluded him the solution to his own desire to explore faith rather than destroy it To do so he finds himself walking a dangerous line between two worlds and two beautiful women One represents the temptations of the outwardly utopian world of man while the other the Godly world that he's secretly trying to understand Unfortunately neither these worlds nor these women are truly what they appear to be leaving Cephas to wonder if the Cult Hunter has become the hunted
