Thomas Wolfe, 2011-10-11 Now available from Thomas Wolfe's original publisher the final novel by the literary legend that will stand apart from everything else that he wrote The New York Times Book Review first published in 1940 and long considered a classic of twentieth-century literature A twentieth-century classic Thomas Wolfe's magnificent novel is both the story of a young writer longing to make his mark upon the world and a sweeping portrait of America and Europe from the Great Depression through the years leading up to World War II Driven by dreams of literary success George Webber has left his provincial hometown to make his name as a writer in New York City When his first novel is published it brings him the fame he has sought but it also brings the censure of his neighbors back home who are outraged by his depiction of them Unsettled by their reaction and unsure of himself and his future Webber

begins a search for a greater understanding of his artistic identity that takes him deep into New York's hectic social whirl to London with an uninhibited group of expatriates and to Berlin lying cold and sinister under Hitler's shadow. He discovers a world plagued by political uncertainty and on the brink of transformation yet he finds within himself the capacity to meet it with optimism and a renewed love for his birthplace. He is a changed man yet a hopeful one awake to the knowledge that one can never fully go back home to your family back home to your childhood away from all the strife and conflict of the world back home to the old forms and systems of things which once seemed everlasting but which are changing all the time.

Catch 420 Mikal Mkali, 2024-11-12 This book is based on true events about how the government superseded the State of California not only by trying to convict me of legally growing marijuana under the guidelines of the State of California Prop 215 but by lying to do so. This is a story from where I ended up to how I got there in the first place being the only one with an appointed attorney in my case while my codefendants had high profile paid counseling. Where loyalty is tested and lies conflict with the actual facts. Where there is corruption in the FBI to get a conviction. Where you find out who your real friends are when shit hits the fan. This story runs parallel to how the government trumps state laws. Which I considered entrapment a catch 22 or in this case a catch 420. **The Beast's Baby** Normandie Alleman writing as N. Chase, 2018-06-26 This time he's fighting for his family Axel. When I left home to follow my dream of becoming a boxer I was too young and stupid to know what I was leaving behind. These days I fill my world with the blood and sweat of a violent profession and the meaningless sexual conquests that come with it. A futile attempt to erase from my mind the only woman I've ever loved. Since I can't let her go I have no choice but to win her back Olive. I've loved Axel my entire life. The boy next door. We didn't talk about the attraction building between us until one fateful night those sparks finally burst into flames. But when he broke my heart he left me with a souvenir. A walking talking little reminder of the man I will always love but can never again trust with my heart. Now he's back wanting to pick up where we left off. And there's no way I'm letting him know about our baby.
