Patton's One-Minute Messages Charles Province, 2009-02-19 A brief biography and photos of General Patton helps readers visualize one of the great military leaders of all time The inspirational content will make this book an indispensable compaion for busy executives everywhere This collection of George S Patton's pithy one liners shows how business managers can succeed by applying the combat tested principles of one of America's most famous battlefield leaders General Patton was a professional soldier who spent his life inspiring people to accomplish the seemingly impossible Now managers can use his secrets to motivate their employees The author takes brief quotations from Patton's writings and draws the deep inner philosophy from them This way managers can easily grasp the principles involved and make practical use of them to get great performance and productivity from their employees The book also presents the work of W Edwards Deming and Walter A Shewhart two pioneers in quality control who have influenced management practice for over fifty years Their philosophy is very similar to Patton's which is not surprising since the fundamental principles of both military leadership and business You are the Messiah and I should know Justin Lewis-Anthony, 2013-04-11 Is Leadership a management are universal useful sociological tool in the increasing professionalisation of the Church's ministry and mission or a dangerous threat akin to a heresy Every human endeavour from a primary school to the government needs leadership The Church believes itself to have a clear understanding of what constitutes Christian leadership but advocates of leadership have been unable to give a clear concise and universally accepted definition of the term Justin Lewis Anthony argues that our understanding of both secular managerial and religious missional leadership has been fatally compromised by the unconscious functioning of mythic leadership presented through the medium of the dominant culture of our own day popular Hollywood film We describe our leaders as if they should be collaborative enabling saints and or expect them to show our enemies who is boss We search for the great man who will rescue us from all our problems through redemptive violence within the Church we talk about Jesus Christ but we expect John Wayne This book shows how leadership is at best a contested concept and at worst a dangerous violent and totalitarian heresy Patton's Shadow Nathan C. Jones, 2024-10-19 General George S Patton's legendary image was carefully crafted during World War II and continues to shape our understanding of American history and culture today Historian Nathan C Jones explores the creation of the Patton legend and its enduring legacy in Patton's Shadow .1994 Patton's Third Army in World War II Michael Green, James D. Brown, 2023-08-31 Patton was champing at the bit to lead the D Day invasion but Eisenhower placed him in command of a decoy unit the First U S Army Group Nearly seven weeks after D Day Patton finally got his chance to take Third Army into battle He began a ten month rampage across France driving through Germany and into Nazi occupied Czechoslovakia and Austria Along the way Third Army forces entered the Battle of the Bulge breaking the siege of Bastogne It was a turning point in the war and afterward the Third Army pushed eastward again Patton's Third Army in World War II covers Patton's command of Third Army with a focus on the armor It was

a new style of fighting avoiding entrenched infantry warfare by continuously pushing forward and it appealed to Patton s hard charging personality Archival photos along with frequent quotes complete the portrait of Patton as well as his men as they fight their way across the Third Reich The Maxims of General Patton Gary L. Bloomfield, 2012-11-12 Journal entries speeches quotes and more that reveal a new side of this WWII military icon with period photos included Gen George S Patton was one of the most tenacious unstoppable players in the United States European Campaign of World War II Few know that beneath his tough and sometimes controversial public image was a man of complexity who competed as an Olympic athlete and wrote poetry. The contemplative side of this dynamic man is displayed in this collection of poems journal entries quotations and speeches This in depth journey through the mind of a truly remarkable American is accompanied by period photographs and reveals new dimensions of the renowned commander Patton on Leadership Alan Axelrod, Ph.D., 2001-09-01 Drawing on General George Patton's decisive moves and distinctive style Alan Axelrod's Patton on Leadership gives executives and managers straightforward practical lessons in dynamic results oriented management This guide covers how to develop a leadership attitude communicate effectively inspire others and more with period photographs of the Patton throughout his career What can a civilian corporate leader learn from the combat tactics of General George S Patton Jr Find out by reading Alan Axelrod's Patton on Leadership He takes leadership wisdom of one of America's greatest and most colorful combat generals and applies it to contemporary civilian corporate organizations Organized around Patton's quotations and writings each being related to specific corporate situations Axelrod presents an in depth understanding into the general s leadership style and demonstrates that Patton s genius was being able to capitalize on his own intuitive notion of leadership This book provides a perspective insight of a leadership methodology that may be a valuable asset to many corporate executives Rutherford B Johnson commander Georgia Chapter George S Patton Jr Historical Society I have no doubt that the leadership skills and personal attitude practiced by General Patton can be used effectively in both corporate and government managerial positions Current and future leaders would do well to master those skills and to practice the vital requisities of honesty and integrity for which General Patton was noted and without which leadership is highly suspect William A Burke Major General Ret George S. Patton Gary L. Bloomfield, 2017-09-15 George S Patton On Guts Glory and Winning relies on the writings speeches and poems of George Patton and includes his prayer to stop the rain during the battle of northern Europe What separates this book from all of the many about World War II s most famous battle commander is the extensive use of exquisite B W combat photos on every spread which illuminate the text on those pages U S Army General George S Patton is one of the greatest and most controversial battle commanders of World War II His tactics were criticized by his detractors lauded by his peers and feared by the Nazis in North Africa Sicily France and northern Europe Some erroneously assumed he plunged his troops into battle with little or no forethought but in fact he studied his opponent s writings and tactics knew the terrain and weather conditions on anticipated fields of fire and even relied on the Bible for

guidance Almost no other general or world leader from World War II has been written about more than Old Blood and Guts Patton a nickname he hated Even today despite advances in weaponry and technology military commanders still study his A Philosophy of Muddy Boots Leadership Alan Preizer, 2022-04-14 A Philosophy of Muddy Boots Leadership presents a Bible based leadership philosophy These thoughts some original most not are not rocket science They are basic common sense and as applicable to everyday life as they are to the battlefield classroom or boardroom Most are drawn from those who have influenced the author the most pastors military leaders and football coaches In this uncertain and dynamic environment there are a few constants In this book you will find a clear and concise set of principles and fundamentals that will assist leaders in maintaining mission focus and focusing on the team Why will it help Today there is no shortage of leadership books consultants and experts We hear terms like servant authentic transformational adaptive etc These concepts are valid and important but they are focused on the conceptual not on the actionable A Philosophy of Muddy Boots Leadership provides a set of biblically based actionable principles for leaders The goal of the book is to provide overwhelmed understaffed leaders or mid level managers a set of techniques and processes that in times of stress and uncertainty will act as a blueprint for success This is not a checklist but a thought provoking set of guiding biblical principles that can be used every day The Other Irish Karen F McCarthy, 2011-11-01 What do Mark Twain Neil Armstrong and John McCain have in common Theyre all descendants of a merry group of Scots Irish braggarts that crossed the Atlantic from Ireland in the early 1700s and settled in Americas South Also known as the Other Irish this wild bunch of patriotic rebellious fervently religious rascals gave us the NRA at least fourteen presidents decisive victories in the Revolutionary War a third of todays US Military country music Star Wars the Munchkins American style Democracy and even the religious right not to mention NASCAR whose roots go back to Prohibition era moonshine runners Yet few Americans are familiar with the Other Irish or their contributions to American culture Now author and documentary filmmaker Karen McCarthy shines a probing light on this fascinating topic illuminating the extent to which the Scots Irish helped weave the fabric of our nation Army .1974 The Wounds that Heal Judith A. Schwartz, Richard B. Schwartz, 2010-09-23 Theories of human development characteristically include a series of stages through which individuals are expected to pass if they are to achieve wholeness and happiness Whether explicitly or not such theories privilege normalcy Heroes on the other hand are commonly wounded individuals whose developmental disabilities are ultimately the source of their personal success and heroism The Wounds that Heal examines developmental theory in the light of the heroic narrative and argues that such theory should be adjusted to accommodate the experience of those who are in many ways our principal role models Four individuals are examined in depth Jane Austen T E Lawrence Winston Churchill and George S Patton Jr The study draws on the experience of a host of other individuals both historic and fictional and includes materials designed to aid readers in defining their own views of the heroic as well as to become heroes or heroines in their own lives Systems Intelligence in Leadership and Everyday Life
