A Quaker Colonel, His Fiancée, and Their Connections Richard Upsher Smith Jr., 2023-07-25 *A Quaker Colonel His Fiancée and Their Connections* Selected Civil War Correspondence offers a Northern counterpart to the great collection of Southern family letters published in *The Children of Pride* Featuring recently discovered historical material the book offers a selection of correspondence written by two Pennsylvanians and their family and friends between 1861 and 1865 The chief letter writers Charles Lamborn and Emma Taylor came from well connected families in Chester County Pennsylvania Their correspondence covers the early years of their courtship until their marriage a period when Charlie was at the warfront Charlie's correspondence presents information about his military experiences providing little known details of the early campaigns of the Army of the Potomac and of the fighting for Chattanooga and Atlanta Emma's letters describe life on the home front illuminating how the war affected her household town and wider circle of family and friends in Philadelphia Baltimore and New York Both Charles Lamborn and Emma Taylor embraced abolitionism and the war's aim of emancipation They believed that the pain they suffered during those years purified their love as it also purified the nation In this volume Dr Smith has carefully transcribed edited and annotated the Lamborn Taylor letters providing important contextual information about both

the larger developments in the war and the more localized sphere of Charlie's and Emma's lives Inside My Mind. Life is a Story - story.one Linda Grote,2024-08-30 One shouldn't only focus on the positive things in life That's delusional But it seems we always do the opposite without complaint So many stories about pain and anger and fear we seem to forget The simple joys of our everyday life **Intensive Psychotherapy for Persistent Dissociative Processes** Richard A.

Chefetz,2015-04-06 Winner of the International Society for the Study of Trauma and Dissociation's ISSTD Pierre Janet Writing Award 2015 What really happens in dissociation Dissociative processes have long burdened trauma survivors with the dilemma of longing to feel real at the same time as they desperately want to avoid the pain that comes with that healing a dilemma that often presents particularly acute difficulties for healing professionals Recent clinical and neurobiological research sheds some light into the dark corners of a mind undergoing persistent dissociation but its integration into the practice of talking therapy has never until now been fully realized Intensive Psychotherapy for Persistent Dissociative Processes brings readers into the consultation room and into the minds of both patient and therapist like no other work on the treatment of trauma and dissociation Richard A Chefetz marries neuroscientific sophistication with a wealth of extended case histories following patients over several years and offering several verbatim session transcripts His unpacking of the emotionally impactful experience of psychodynamic talking therapy is masterfully written clearly accessible and singularly thorough From neurobiological foundations he builds a working understanding of dissociation and its clinical manifestations Drawing on theories of self states and their involvement in dissociative experiences he demonstrates how to identify persistent dissociation and its related psychodynamic processes including repetition compulsion and enactment He then guides readers through the beginning stages of a treatment with particular attention to the psychodynamics of emotion in both patient and therapist The second half of the book immerses readers in emotionally challenging clinical processes offering insight into the neurobiology of fear and depersonalization as well as case examples detailing struggles with histories of incest sexual addiction severe negativity negative therapeutic reactions enactment and object coercive doubting The narrative style of Chefetz's casework is nearly novelistic bringing to life the clinical setting and the struggles in both patient and therapist The only mystery in this clinical exposition as it explores several cases over a number of years is what will happen next In the depth of his examples and in continual self reflexive analysis of flaws in past treatments Chefetz is both a generous guide and an expert storyteller Intensive Psychotherapy for Persistent Dissociative Processes is unique in its ability to place readers in the consultation room of psychodynamic therapy With an evidence focused approach based in neurobiology and a bold clinical scope it will be indispensable to new and experienced therapists alike as they grapple with the most intractable clinical obstacles The Father of Her Son Kathleen Pickering,2013-06-01 Her life is not front page news News anchor Evan McKenna knows a good thing when he sees it And Kelly Sullivan and her son Matt definitely fall into that category If Evan had his way he'd be part of their little family Only Kelly is proving resistant to his charms He knows an

attraction this strong is more than one sided so something else is keeping them apart Despite his best efforts he can't convince her to tell him Then Kelly's past becomes a major news story which puts Matt's safety in jeopardy Evan is willing to do anything to protect them For the first time his career takes a backseat to something more important family and a future with Kelly Now he just has to prove it to her The Irish Monthly, 1916 *Impressions* Lilla Cabot Perry, 1898 MISTY HALOS a realm of words Darshika Morey & Rahul Gaurav, 2020-12-17 MISTY HALOS a realm of words is a kingdom of words consisting 103 writers including compilers who have expressed their hidden feelings and emotions which are beautiful like Halos covered with Mist and now have got their Realm of Words to draw away the Mist that surrounded them This is not simply an Anthology it's a collaboration of various amazingly written pieces of one's life which will take you on a beautiful journey to wonderful realms and make us all realize that No matter how dense the Mist is the Halos are still beautiful if you have those lovely eyes to perceive it Finding Mr Write: Drayton Beauchamp Series Anna Hutton-North, 2012-08 To some people Dorabella is a dizzy romantic caught up in her own dreamy world but to her mother Lady Henrietta De Vomty she is totally infuriating Having refused every suitable suitor suggested drastic measures are called for Banished to stay with her cousin the spendthrift Lord Adam Beauchamp not only does Dora's poetic muse desert her but she clashes incessantly with her cousin's new fiancé Ruby Mae Then as the wedding approaches tensions rise and Adam's gambling increases but Dora has her own worries stumbling across the guilty secret of a dubious ancestor from the family's otherwise illustrious past The deceptions increase tempers flare and hearts get broken it seems that no one can ever be truly happy After all can life ever really have a fairy tale ending **Aflame** N.M. Bello, 2015-01-28 A beautiful princess A noble prince Two worlds colliding Zara is the princess of Garimu a kingdom where the people can absorb the elements and wield them as they please Strong willed yet naive she is the strongest wielder to be born in generations Johar is the solemn and responsible prince of Birin He is engaged to be married and is preparing to ascend to the throne of his kingdom Through a twist of fate these two very different people are brought together as the survival of both of their kingdoms hangs in the balance Can Zara and Johar put their differences aside in order to save their homes from the catastrophe that is about to befall them Aflame is a thrilling story of love sacrifice and growing up The book is the perfect read for young adults who will enjoy watching the characters change and grow with their experiences **Alex Faraway** G. F. Brynn, 2024-01-31 In this third book in the Alex FARAWAY Series it has been 4 years since Alex Faraway blasted off from Earth to be reunited with his once missing father on Mars Because of his past heritage with Mars Alex has transformed into an Earthian with all the new abilities his Martian cousin possess The orphaned Martian Rainah Onyodee has found a new home with Alex's mom Elizabeth and is finishing high school in Delta Town Old Elliot the astronomer has settled down with Rosie in her café where Elizabeth works and where he keeps a rooftop vigil each night tracking the approach of Planet X the mysterious Nethlin World as it nears its ten thousand years encounter with Mars But a new and more sinister entity has joined forces with the scheming Others in order to fulfill their

The New Bruckner provides a valuable study of Bruckner s music focusing on the interaction of biography textual scholarship reception history and analysis Dr Dermot Gault conveys a broad chronological narrative of Bruckner s compositional development interpolating analytical commentaries on the works and critical accounts of the notoriously complex and editorial issues Gault corrects longstanding misconceptions about the composer s revision process and its relationship with the early editions and widely held critical opinions Bruckner s constantly evolving engagement with symphonic form is traced by taking each revision in due order rather than by taking each symphony on its own and by relating the symphonies to other mature works such as the Te Deum the three great Masses and the Quintet and argues that Bruckner s music became more organic and less schematic as the result of his revisions The book will be essential reading for those studying Bruckner s compositions the complex history of their reception and late Romantic music in general
