Lyons, 2020-10-27. Named One of the New York Post's Best New Books to Read. FIRE IN THE STRAW is the witty and deeply felt memoir of Nick Lyons, a man with an intrepid desire to reinvent himself which he does over and over. Nick Lyons' shape shifts from reluctant student and graduate of the Wharton School to English Professor to husband of a fiercely committed painter to ghost writer to famous fly fisherman and award-winning author to father and then grandfather to Executive Editor at a large book publishing company and finally to founder and publisher of his own successful independent press. Written with the same warm and earthy voice that has enthralled tens of thousands of fly fishing readers, Nick weaves the disparate chapters of his life from the moment his widowed mother drops him off at a grim boarding school at the age of five where he spends three lonely and confusing years to his love of basketball and pride playing for Penn to the tumultuous period in the army and after when he found and was transformed by literature to his marriage to Mari, his great love and anchor of his life. Suddenly with a PhD in hand and four children, Nick embarks on a complex and thrilling ride juggling family, fishing, teaching, writing, and publishing the wolf always at his door. Against all odds, The Lyons Press survives; his children prosper; his wife's art flourishes; and his books and articles make him a household name. Fire in the Straw is a love story, a confessional, and a beautiful big-hearted memoir. Hook, Line, and Sinker Nick Lyons, 2014-09-02. Great and unforgettable stories about the passion of fishing by some of the world's best writers. **Quotable Fisherman Quotable Thpb**

LYONS/ROBINSON, 2001-01-01. Spring Creek Nick Lyons, 2012-11-01. Spring Creek is everything a fishing book should be, says Craig Nova. It has the ability to convey the magic that always exists between somebody who loves fishing and a particular piece of water that endlessly lives up to its end of the bargain. It has been called Lyons's masterpiece. The river is one of those rare places where the trout are as long as your arm but also exceedingly difficult to catch. Lyons explores its secrets and confronts its greatest challenges. At first he catches little. Then slowly he acquires the various and special skills and disciplines necessary to take the large wary brown trout of this extraordinary river. Spring Creek is a memoir of halcyon days on a remarkable river and it draws a rare portrait of an angler actually learning to fish more wisely. It is a richly humorous and perceptive account of an angler's passion for his spot and a book all fishermen will cherish. **Tactics for Bass and Other Warmwater Species** Tim Jacobs, 2023-03-01. As trout rivers become more crowded and tackle developed to handle larger flies and larger fish, warmwater fly fishing is becoming more popular and is the new frontier in fly fishing. When the boat launches on the famous trout streams, look like a mall parking lot, you can still find solitude on warm water rivers.
