Betsy Bernfeld, 1990 **Saddle and Ride: Western Classics - Boxed Set** Ernest Haycox, 2023-12-15 In *Saddle and Ride: Western Classics Boxed Set*, renowned author Ernest Haycox presents a masterful compilation of tales that encapsulate the spirit of the American West. Drawing upon his keen understanding of Western landscapes and cultures, Haycox weaves narratives rich with character development, moral conflict, and vivid imagery. His prose is marked by a fine balance of authenticity and lyrical quality, capturing the rugged essence and complex social dynamics of frontier life. This boxed set not only preserves some of Haycox's best works but also situates them within the broader context of early 20th-century American literature, where the Western genre was both a reflection of and a reaction to contemporary societal themes. Ernest Haycox, an influential figure in Western fiction, emerged from a Pacific Northwest background that deeply influenced his writing. Growing up amidst the landscapes he often described, Haycox's works are infused with personal experience and meticulous research, enabling him to portray realistic dialogues and intricate plot lines that resonate with readers. His career spanned several decades during which he became a prominent voice in the genre, illustrating the human experience against the backdrop of the Wild West. *Saddle and Ride* is an essential read for both Western enthusiasts and those new to the genre. Haycox's ability to convey timeless themes of bravery, loyalty, and existential struggle makes this collection not only entertaining but also thought-provoking. A Sagebrush Cinderella (Esprios Classics) Max Brand, 2022-02-04 Frederick Schiller Faust (1892-1944) was an American fiction author known primarily for his thoughtful and literary Westerns. Faust wrote mostly under pen names, and today he is primarily known by one: Max Brand. Others include George Owen Baxter, Martin Dexter, Evin Evans, David Manning, Peter Dawson, John Frederick, and Pete Morland. Faust was born in Seattle. He grew up in central California and later worked as a cowhand on one of the many ranches of the San Joaquin Valley. Faust attended the University of California Berkeley, where he began to write frequently. During the 1910s, Faust started to sell stories to the many emerging pulp magazines of the era. In the 1920s, Faust wrote furiously in many genres, achieving success and fame first in the pulps and later in the upscale slick magazines.

Women of the West Caleb Seeling, Sapphire Heien, Sheena Feiler, 2017-07-07 The 2017 volume in the Manifest West series, *Women of the West*, delves into the rich mixing pot created in the West, derived from assorted cultures and ethnicities and from a variety of beliefs and traditions across the world, all manifested in today's Western culture. There is no one type of Western woman. They are beautifully diverse in race, religion, and sexual orientation, yet they are bonded through the shared experiences and approaches to life that identify them as distinctly Western. Like individual squares of a quilt, women's interactions with the culture, landscape, and geography of the West, as well as with their families and one another, offer us a unified variety. In this collection of poems, short stories, and creative nonfiction, twenty-five writers

and poets present a broad understanding of the Western woman sometimes defying and sometimes reinforcing expectations and stereotypes Perspectives vary from daughters grieving the loss of fathers whose rugged ways resonated with them to mothers striving to share an adoration for the delicacy of nature with their sons For every woman seeking to conquer the wilderness another yearns to be tamed by it These are the stories of natives and Natives of immigrants from around the world spanning from eastern states of America to Vietnam in the East From historical figures toting guns and whips to those who must overcome today's manifestations of violence against women these ladies and so many more are the Women of the West Manifest West is Western Press Books literary anthology series The press affiliated with Western State Colorado University produces one anthology annually and focuses on Western regional writing Big Sagebrush Bruce Leigh Welch,2005 Pioneers traveling along the Oregon Trail from western Nebraska through Wyoming and southern Idaho and into eastern Oregon referred to their travel as an 800 mile journey through a sea of sagebrush mainly big sagebrush *Artemisia tridentata* Today approximately 50 percent of the sagebrush sea has given way to agriculture cities and towns and other human developments What remains is further fragmented by range management practices creeping expansion of woodlands alien weed species and the historic view that big sagebrush is a worthless plant Two ideas are promoted in this report 1 big sagebrush is a nursing mother to a host of organisms that range from microscopic fungi to large mammals and 2 many range management practices applied to big sagebrush ecosystems are not science based *Wyoming's Ucross Ranch: Its Birds, History, and Natural Environment* Paul Johnsgard, Jacqueline Canterbury,2019-02-14 This book profiles 60 of the most abundant characteristic and interesting birds that have been regularly reported from the Ucross Ranch and the adjacent Powder River Basin The 20 000 acre Ucross Ranch lies on the western edge of the Powder River Basin of northeastern Wyoming Ucross is a textbook example of the prairie grassland shrubland habitat type referred to as the sagebrush steppe a landscape that is an icon of Wyoming's vast open spaces We focus especially on those species that occur year round or are present as breeders during the summer months and we place emphasis on a unique group of sagebrush steppe adapted birds *Classic Hikes of the World* Peter Potterfield,2005-03-08 From John Muir Trail in California to Mount Kilimanjaro Potterfield takes readers along on 23 of his favorite personal hikes on some of the world's most spectacular trails These hikes range from weekend trips to epic journeys and none require mountaineering skills **A Classic Western Quarrel** Lisa Schoch-Roberts,1997
