Sail Far Away:

Cruising World ,1979-01 **Janiebaby** Brianna Bowles,2009-03-24 Janie Halse was a quiet girl just a tiny speck in her diminutive town Attached to her were her silent reveries to become her best friend fill her best friend s shoes live with her best friend s family and her secret wishes to be closer to her mother and her sister Out of the blue on an otherwise ordinary day she is put to the test to realize her strength her blindness the vulnerability of her loved ones and the invisibility she never really had **The Complete Works of Count Tolst**Y Volume Xii Leo Tolstoy,2018-01-01 A Turtle asked an Eagle to teach her how to fly The Eagle advised her not to try as she was not fit for it but she insisted The Eagle took her in his claws raised her up and dropped her she fell on stones and broke to pieces Terra Nostra Carlos Fuentes,2013-05-14 Terra Nostra is one of the great masterpieces of modern Latin American fiction Concerned with nothing less than the history of Spain and of South America with the Indian Gods and with Christianity with the birth the passion and the death of civilizations Fuentes s great novel is indeed that rare creation the total work of art Magnificently translated by Margaret Sayers Peden Terra Nostra is as Milan Kundera says in his afterword the spreading out of the novel the exploration of its possibilities the voyage to the edge of what only a novelist can see and say **Russian Fairy and Folk-Tales: A Choice Collection of Muscovite Folk-Lore** Various Authors,2020-09-28 Russia is a country where artistic development began very late where popular lore was conserved with little alteration owing to the immensities of the country the primitiveness of the people and the punctiliousness of the compilers The principal source for Russian folk tales is the great collection of Afan _ev a coeval of Rybnikov Kir_yevski Sakharov Bezsonov and others who all from about 1850 to 1870 laboriously took down from the lips of the peasants of all parts of Russia what they could of the endless store of traditional song ballad and folk tale These great collectors were actuated only by the desire for accuracy they appended laboriously erudite notes but they were not literary men and did not sophisticate or improve on their material But before venturing on a brief account of the tales something must be premised as to the position occupied by folk tales in the cultural development of a people In Pagan times there always existed a double religion the ceremonial worship of the gods of nature and the tribal deities a realm of thought in which all current philosophy and idealism entered into a set form that symbolized the State and also local cults and superstitions the adoration of the spirits of streams wells hills etc To all Aryan peoples Nature has always been alive but never universalized or romanticized as in modern days wherever you were the brook the wind the knoll the stream were all inhabited by agencies which could be propitiated cajoled threatened but under all conditions were personal forces who could not be disregarded When Christianity transformed the face of the world it necessarily left much below the surface unaffected The great national divinities were proscribed and submerged some of their features reappearing in the legendary feats of the saints The local cults continued with this difference that they were now condemned by the Church and became clandestine magic or else they were adopted by the Church and the rites and sanctuaries transferred The memory of them subsisted the

fear of these local gods degenerated into superstition the magic of the folk tales becomes half fantastic half conventional belief in which is surreptitious usual and optional At this stage of disorganization of local custom folk tales arise and into them transmitted as they are orally and under the ban of the Church contaminations of all sorts creep such as mistaken etymologies faint memories of real history reminiscences of lost folk songs Christian legend and morals etc The Russian people have handed down three categories of records First of all the Chronicles which are very full very accurate and within the limits of the temporary concepts of possibility and science absolutely true Secondly the ballads or byl ny epic songs in an ancient metre narrating historical episodes as they occur and also comprising a cycle of heroic romance comparable with the chansons de geste of Charlemagne the cycles of Finn and Cuch lain of the Irish and possibly with the little minor epics out of which it is supposed that some supreme Greek genius built up the artistic epics of the Iliad and the Odyssey These byl ny may be ranked as fiction i e as facts of real life as then understood applied to non existent unvouched or legendary individuals They are not bare records of fact like the Chronicles imagination enters into their scope non human miraculous incidents are allowable their content is not a matter for faith or factual record they may be called historical fiction which broadly taken corresponded to actual events and typified the national strivings and ideals The traditional ceremonial songs magical incantations and popular melodies are of the same date and in the same style Thirdly the folk tales In their matter these differ little if at all from the common Aryan stock In their treatment there are well marked divergencies They are in the first place characterized by the so called realism that tinges all Russian literature a better word would be factualism as realism is associated with the anti romanticism that accentuates material facts and seeks to obliterate moral factors Golden Days for Boys and Girls ,1891 Russian Folktales A. N. Afanasyev,2024-08-18T03:14:13Z Russian Folktales also translated as Russian Fairy Tales is a collection of folktales in the Russian language collected and edited in the 19th century by folklorist A N Afanasyev Despite the title these stories are not just Russian ones but are also folk and fairy tales told by people from many eastern Slavic speaking regions like Belarus and Ukraine The stories in this collection focus both on pre Christian elements like spirits and pagan entities and Christian elements like saints angels and apostles who appear as characters in some of the stories References to God and liturgical practices abound Although traditional tales like these don t form a uniform and consistent corpus some stock characters appear in several stories like Koshch y the Deathless Iv n Ts revich and Baba Y ga This edition is based on the 1916 translation by Leonard A Magnus who curated a selection of stories from Afanasyev s original Russian edition The Russian edition is much larger with over five hundred stories in total This book is part of the Standard Ebooks project which produces free public domain ebooks **Neighbourly Love. IT'S TIME (PB) Charlotte Kramer,2020-03-09 IT S TIME Journey With Jesus from His Manger to His Mission the Unrecorded Years By Charlotte Kramer Magdalene looked at Jesus and knew when she was in His presence there was something different about His character There was a loving atmosphere that seemed to actually change the physical environment that surrounded Him The grasses became greener the blades became stronger the blooms more colorful and the flowers smelled sweeter Magdalene was caught up in an ethereal realm where she felt like she was too exquisite for the world she was in and she was absolutely sure Jesus was too perfect for this world She gazed at Him and she realized it was He who made her feel that way It s Time gives the reader a greater understanding of conflicting politics on the lips of first century Jerusalem citizens and Jewish principles in a Roman world This book shines new light on the Magi and their interpretation of the heavenly spheres as it pertained to the birth of Jesus and their duty to Jesus while He was a youth It offers a broader understanding of Joseph of Arimathea and the role he played in the life of Jesus Through this new light the reader has a greater understanding of Jesus as a youth The scriptures are silent on these missing years and it is time to sift out a logical although imaginary life surrounding Jesus as a youth that He could have lived in the first century world **Paul Jones** Pierce Egan,1842 **The Foreign Missionary Chronicle** ,1833 Shell Point Stevie Blankenship,2015-10-09 You could call this a tour de force an excellent story that held away throughout Lee Maynard Screaming with the Cannibals Pale light of Sunset Crum Cinco Becknell The mixed verse and prose is called prosimetrum It is found in Indo European literature from ancient Sanskrit on Irish medieval stories mix verse and prose with poetry interspersed in the prose narrative Tolkien used it Now this writer tries his hand at it successfully I think T S Pelzel Critic Young men in most cultures have some kind of rite of passage The Maasai tribe of Africa in generations past had to stalk and kill a lion with only a spear before they were considered warriors In another part of the world in the Vanuatu tradition a male teen jumps from a high place with only vines attached to his ankles The goal is to brush his head on the ground without breaking his neck If he survives he is considered a man Tiki Morton s rite of passage was achieved as teen deep in the coal mines of West Virginia But now a few years later he
