by his shadow Yet Clare's life and story ought to shine in its own light and on its own terms her name after all means light She is a figure of true heroism tenacity beatitude and grit who plotted her improbable course in the context of the raucous and explosive period of the Middle Ages Much went wrong for Clare after the day when as a teen she fled the home of her noble and wealthy family to follow Francis in a life of poverty No one would have begrudged her if when the trials had become onerous she had decided simply to go home Yet she stayed the course even after Francis had died She pulled from the fire of her trials embers that would become her crown In this new book Wendy Murray digs deeply into Clare's decision to abandon rank and wealth for allegiance to Christ and in no small way Francis and explores the circumstances which later on tested Clare's devotion Clare's curious and vivid spiritual vision galvanized her ability to persevere amid difficult circumstances and enabled her to stay her course and lay claim to a legacy that shines brightly among the host of medieval saints
