Saint Oscar And Other Plays:

Saint Oscar Terry Eagleton, 1990 *Saint Oscar and Other Plays* Terry Eagleton, 1997-04-21 This is the first collection of Terry Eagleton's work for the theatre. *St Oscar*, *The White the Gold* and *the Gangrene Disappearances and Gods Locusts*. The first two originally toured Ireland respectively in productions by Field Day of Derry and Dubbeljoint of Belfast. *God's Locusts* was broadcast on BBC Radio 3 *Provocation and Negotiation*. Gesche Ipsen, Timothy Mathews, Dragana Obradovic, 2013 This collection of essays takes on two of the most pressing questions that face the discipline of Comparative Literature today: Why compare and Where do we go from here? At a difficult economic time when universities all over the world once again have to justify the social as well as academic value of their work, it is crucial that we consider the function of comparison itself in reaching across disciplinary and cultural boundaries. The essays written for this book are by researchers from all over the world and range in topic from the problem of translating biblical Hebrew to modern atheism from Freud to Marlene van Niekerk from the formation of one person's identity to experiences of globalisation and the relation of history to fiction. Together they display the ground-breaking ideas which lie at the heart of an act as deceptively simple as comparing one piece of writing to another *Irish Drama and Wars in the Twentieth Century* Wei H. Kao, 2022-09-08 This book delves into how playwrights, whether canonical or less frequently discussed in the academic sphere, have critically and creatively engaged with the Anglo-Irish War, the Irish Civil War, the Easter Rising, the Northern Ireland Troubles and other conflicts. It not only approaches their plays, some of which have not been subject to much study in relevant historical contexts, but also explores how Irish dramatists have observed humanity and resilience in war and given their insights into republican, unionist and denominational divides. It also reveals the dynamic mechanism connecting playwrights, performing venues, critics and audience members. As a whole, this book will be of interest to Irish studies scholars, theatre practitioners and historians and people who would like to have a systematic understanding of twentieth-century Irish drama focusing on nation formation, war, revolution and humanity **A Dictionary of Writers and their Works** Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries. An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present. There is also some coverage of non-fiction such as biographies, memoirs and science as well as inclusion of major American and Commonwealth writers. This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist. Each entry provides details of a writer's nationality and birth/death dates followed by a listing of their titles arranged chronologically by date of publication *The Secret Gospel of Mark Unveiled* Peter Jeffery, 2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript: a second-century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark. When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since. Is the text authentic or a hoax? Is

Smith's interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript's text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith's Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde's Salom twentieth century misunderstandings of early Christian liturgy and Smith's personal struggles with Christian sexual morality
