The Direction of Desire Mark Gerard Murphy, 2023-09-25 This book examines Lacanian psychoanalysis and Christian mystical theology demonstrating the former s potential for reinvigorating spiritual direction The author outlines how current methods of spiritual direction become saturated with self help psycho pop methodologies and that desire has therefore been foreclosed in these practices He suggests that the root of this is a focus on positive affective experientialism which means spiritual direction must focus on emotional wholeness healing and positivity Finally he argues that a new dialogue between John of the Cross a mystic whose writings on spiritual direction formulate part of the core of the Catholic spiritual tradition and Jacques Lacan can open the way for a spiritual direction beyond the confines of experientialism The book concludes that we can only escape the experiential commodification of spiritual direction by critiquing the drive to experience in and of itself This novel work will

appeal in particular to students and scholars of psychoanalysis religion philosophy and critical theory **The Collected Works of St. John of the Cross** St John of the Cross, 1991-12-08 This revised edition of The Collected Works of St John of the Cross was produced to mark the fourth centenary of the death of St John of the Cross 1542 1591 The result is an English translation of his writings that preserves the authentic meaning of the great mystic s writings presents them as clearly as possible and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor Included in The Collected Works are St John s poetry The Ascent of Mount Carmel The Dark Night The Spiritual Canticle and The Living Flame of Love as well as his extant letters and other counsels More Information Complementing St John s writings are a comprehensive General Introduction for the entire work as well as brief enlightening introductions for each specific work explaining theme and structure These are enhanced by new and expanded footnotes and a glossary of terms About the Translators Kieran Kavanaugh O C D Father Kieran a native of Milwaukee Wisconsin made his profession as a Discalced Carmelite in 1947 He has held several important positions within the order including prior formation director and provincial councilor A founding member of the Institute of Carmelite Studies he subsequently served as its chair as well as publisher of ICS Publications Father Kieran s major contributions in the field of Carmelite studies are his translations from the Spanish of the works of St Teresa of Jesus and St John of the Cross in collaboration with Father Otilio Rodriguez He also was the English translator of God Speaks in the Night The Life Times and Teaching of St John of the Cross a pictorial biography of St John of the Cross commemorating the 400th anniversary of his death published in several languages In addition to translations Father Kieran is also the author of two ICS Publications study editions of the works of St Teresa and has written several other books on St Teresa and St John of the Cross Father Kieran has lectured and written widely on the teaching of both of these Carmelite saints He is a member of the Discalced Carmelite community in Washington D C Otilio Rodriguez O C D Father Otilio was born in Mantinos Palencia Spain and was a Carmelite for more than fifty years He was provincial of the Burgos province several times and also served as rector of the Discalced Carmelites international pontifical theological faculty the Teresianum in Rome Father Otilio was one of the founders of the Institutum Historicum Teresianum and was a member of the Institute of Carmelite Studies Both internationally and throughout the United States he gave retreats and lectures on Carmelite history and spirituality and wrote extensively on Carmelite subjects Father Otilio died in Rome in 1994
