Saint Peter and the Vatican Allen Duston, Roberto Zagnoli, 2003 **The Life and Legacy of Constantine** M. Shane Bjornlie, 2016-07-15 The transformation from the classical period to the medieval has long been associated with the rise of Christianity This association has deeply influenced the way that modern audiences imagine the separation of the classical world from its medieval and early modern successors The role played in this transformation by Constantine as the first Christian ruler of the Roman Empire has also profoundly shaped the manner in which we frame Late Antiquity and successive periods as distinctively Christian The modern demarcation of the post classical period is often inseparable from the reign of Constantine The attention given to Constantine as a liminal figure in this historical transformation is understandable Constantine s support of Christianity provided the religion with unprecedented public respectability and public expressions of that support opened previously unimagined channels of social political and economic influence to Christians and non Christians alike The exact nature of Constantine s involvement or intervention has been the subject of continuous and densely argued debate Interpretations of the motives and sincerity of his conversion to Christianity have characterized with various results explanations of everything from the religious culture of the late Roman state to the dynamics of ecclesiastical politics What receives less frequent attention is the fact that our modern appreciation of Constantine as a pivotal historical figure is itself a direct result of the manner in which Constantine s memory was constructed by the human imagination over the course of centuries This volume offers a series of snapshots of moments in that process from the fourth to the sixteenth century **San Diego Magazine** ,2004-05 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region This is the magazine for San Diegans with a need to know **San Diego Magazine** ,2004-08 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region This is the magazine for San Diegans with a need to know *The Legacy of Pope John Paul II* Alan Schreck, 2012 Popes are the Church s chief shepherds While some focused on governing the Church and addressing challenges from the world others recognized their primary responsibility to proclaim and teach the Gospel Author Alan Schreck calls these the teaching popes and John Paul II was such a pope leading the Church and impacting the world with his witness and his teaching The encyclical letter has been in modern times the instrument for popes to express their most important teaching teachings that have lasting value for the Church and often for the whole world Dr Schreck invites the reader to become familiar with the encyclical letters of Pope John Paul II In *The Legacy of Pope John Paul II* Dr Schreck breaks down more scholarly writing into accessible language The reflection questions and suggestions for further reading at the end of each chapter help facilitate a systematic study of the central teachings of this brilliant but pastoral pope who conveyed the truth in love **The Papacy Since 1500** James Corkery, Thomas Worcester, 2010-08-12 Structured by detailed
