Americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which Miller builds his gripping narrative Miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the Pacific the bomber war over Europe the liberation of the death camps and the contributions of African Americans and other minorities He concludes with a suspenseful never before told story of the atomic bombing of Nagasaki based on interviews with the men who flew the mission that ended the war *Random Miracles* Edward Martin Cifelli, 2009-11-10 Happy the Man Happy he and happy he alone is the man who can call today his own the man who secure within can say Tomorrow do thy worst for I have lived today Whether fair or foul or rain or shine all my days in spite of fate are mine Not even Heaven upon the past has power What has been has been and I have had my hour Horace First Century B C
