The British National Bibliography Arthur James Wells,1996 *The Magic Behind the Voices* Tim Lawson,Alisa Persons,2009-09-28 The Magic Behind the Voices is a fascinating package of biographies anecdotes credit listings and photographs of the actors who have created the unmistakable voices for some of the most popular and enduring animated characters of all time Drawn from dozens of personal interviews the book features a unique look at thirty nine of the hidden artists of show business Often as amusing as the characters they portray voice actors are charming resilient people many from humble beginnings who have led colorful lives in pursuit of success Beavis and Butthead and King of the Hill s Mike Judge was an engineer for a weapons contractor turned self taught animator and voice actor Nancy Cartwright the voice of Bart Simpson was a small town Ohio girl who became the star prot g of Daws Butler most famous for Yogi Bear Huckleberry Hound and Quick Draw McGraw Mickey Mouse Wayne Allwine and Minnie Mouse Russi Taylor were a real life husband and wife team Spanning many studios and production companies this book captures the spirit of fun that bubbles from those who create the voices of favorite animated characters In the earliest days of cartoons voice actors were seldom credited for their work A little more than a decade ago even the Screen Actors Guild did not consider voice actors to be real actors and the only voice actor known to the general public was Mel Blanc Now Oscar winning celebrities clamor to guest star on animated television shows and features Despite the crushing turnouts at signings for shows such as Animaniacs The Simpsons and SpongeBob Squarepants most voice actors continue to work in relative anonymity The Magic Behind the Voices features personal interviews and concise biographical details parting the curtain to reveal creators of many of the most beloved cartoon voices **Children's Book Review Index 85-94 V 3** George Baer,1995-12-04 *Pigs* Sarah Bowman,Lucinda Vardey,1981 Uses a variety of literary forms to celebrate the pig *AB Bookman's Weekly* ,1999 **The Private Diaries of Alison Uttley** Denis Judd,2011-07-12 Popular childrens author Alison Uttley Little Grey Rabbit and Sam Pig spent over 40 years writing diaries Professor Denis Judd who knew Alison and has previously written her biography reveals a different side to the writer whose husband committed suicide and whose close relationship with her son is recorded in detail But the magic of the author rings through on every page as she writes about her daily life in Berkshire the red lipped fisherwife near neighbor better known as Enid Blyton and her tempestuous relationship with her illustrators She also writes endearingly about the changing seasons reflecting much of her adult writing These beautifully written diaries have been skillfully edited

by Denis Judd one of the Trustees of her Estate and a renowned biographer in his own right Wonderfully written with a truly nostalgic look at days long gone this is a must read not just for fans of Alison Uttley s work but for anyone who enjoys good writing **Who's who** ,1975 **Reading Transatlantic Girlhood in the Long Nineteenth Century** Robin L. Cadwallader,LuElla D'Amico,2020-05-13 This collection is the first of its kind to interrogate both literal and metaphorical transatlantic exchanges of culture and ideas in nineteenth century girls fiction As such it initiates conversations about how the motif of travel in literature taught nineteenth century girl audiences to reexamine their own cultural biases by offering a fresh perspective on literature that is often studied primarily within a national context Women and children in nineteenth century America are often described as being tied to the home and the domestic sphere but this collection challenges this categorization and shows that girls in particular were often expected to go abroad and to learn new cultural frames in order to enter the realm of adulthood those who could not afford to go abroad literally could do so through the stories that traveled to them from other lands or the stories they read of others travels Via transatlantic exchange then authors readers and the characters in the texts covered in this collection confront the idea of what constitutes the self Books examined in this volume include Adeline Trafton s An American Girl Abroad 1872 Johanna Spyri s Heidi 1881 and Elizabeth W Champney s eleven book Vassar Girl Series 1883 92 among others *L' apocalyptisme* Centre de recherche Médiatisation et systèmes de représentation (Pau).,1986 **Contemporary Authors** Frances C.
