Sammlung Samuel Johnson, 2000 This authoritative edition was formerly published in the acclaimed Oxford Authors series under the general editorship of Frank Kermode It brings together a unique combination of Johnson's poetry and prose all the major poems complemented by essays criticism and fiction to give the essence of his work and thinking Samuel Johnson's literary reputation rests on such a varied output that he defies easy description poet critic lexicographer travel writer essayist editor and thanks to his good friend Boswell the subject of one of the most famous English biographies This volume celebrates Johnson's astonishing talent by selecting widely across the full range of his work It includes London and The Vanity of Human Wishes among other poems and many of his essays for the Rambler and Idler The prefaces to his edition of Shakespeare and his famous Dictionary together with samples from the texts are given as well as selections from A Journey to the Western Islands of Scotland the Lives of the Poets and Rasselas in its entirety There is also a substantial representation of lesser known prose and of his poetry letters and journals **Samuel Johnson** Isobel Grundy, 1984 This collection then does not claim to be revolutionary but it hopes to be revisionary It sets out from the assumptions that Johnson is easy to love but hard to understand that there is always some further angle we have not yet grasped that his readers undergo a persistent experience of having not without effort to rethink and that having made such an effort they may then find themselves in a position to offer new information or new insight We have tried in this volume while bearing in mind the wealth of his achievement to set before our readers some aspects of his writing which have been least well recognized and which have strongest contemporary interest Preface page 8 **The Selected Essays of Donald Greene** Donald Johnson Greene, 2004 Part III The Terrain of Literature features Greene's examination of a variety of literary approaches to literature in an era when the subject needs to be referred as well to cognitive science as more conventional critical modes even deconstruction that have long defined it Additionally he illuminates important works by writers as various as Jane Austen and Evelyn Waugh These essays as well as the book as a whole are framed here by Greene's assessment of Canadian literature that calls attention to the native terrain that he originally called home and how the latter contributed to the making of one of the most cosmopolitan scholars of his era Jacket **Samuel Johnson** Isobel Grundy, 1984 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com **Aspects of Samuel Johnson** Howard D. Weinbrot, 2005 Howard D. Weinbrot's Aspects of Samuel Johnson Essays on His Arts Mind Afterlife and Politics collects earlier and new essays on Johnson's varied achievements in lexicography poetry narrative and prose style It considers Johnson's uses of the general and the particular as they relate to the reader's role in the creative process his complex approach to the concept of literary genre and his resolutely in human view of skepticism **Samuel Johnson** Frank Brady, William Wimsatt, 1978-02-07 This is a major new selection of Samuel Johnson's best work delightfully introduced by W
