Red Tears N. K. Parten, 2018-11-12 Prudence Mims flourished as the youngest daughter of a prominent planter in the frontier wilderness of the Tensaw Delta in present day Alabama Her father Samuel Mims came to the Mississippi Territory as an Indian Trader during the American Revolution acquiring a land grant from the governor of Spanish West Florida For years the Mims family lived in peace in the ancestral home of Creek Indians However everything changed when the United States exerted their territorial claims to the southern region of the American frontier In time they would become collateral damage in a game of cat and mouse between the fledgling U S Government and the fierce Red Stick Faction of the Creek Indians Based on family lore this is the untold story Prudence's harrowing escape when these worlds collided on August 30 1813 resulting in the worst massacre by Woodland Indians in American history forever changing the framework of a continent

Beyond Fort Mims Luran Paine, 2017-12-01 The massacre at Fort Mims is what spurred young Davy Crockett to leave his family and become a volunteer scout in the military campaign between American militias and the Creek Indians It was while serving in this capacity that Crockett earned his reputation as a first rate scout which added to his already established reputation as a crack shot Like many volunteers serving in militias Crockett also had to concern himself with protecting his wife his children and his land from roaming Indian war parties and gangs of frontier renegades who used the distraction of wars to attack and pillage those left behind It was in these skirmishes that Davy Crockett distinguished himself It was a chaotic and dangerous time on the frontier and Davy Crockett and his family seemed to have a ringside seat in the midst of the action
