Monday Marriage Celebrating The Ordinary:

Monday Marriage Gerald W. Kaufman, L. Marlene Kaufman, 2005 **Toward a Biblical Theology of Marriage** Ernest D. Martin, 2010-03-01 Does the Bible provide a construct for marriage that is relevant for a confused world This book reflects a pastor's conviction that biblical revelation culminating in Christ does speak to the issues and potentials for marriage in such a world By focusing on what the biblical vocabulary of marriage from Genesis to Revelation may reveal of the Creator Redeemer's intent for marriage Ernest D Martin develops a Christological paradigm for marriage that is consistent and applicable Pastors teachers and counselors will find biblical faith perspectives useful in responding to the challenges and opportunities they face in the several phases of marital relationships This short book will greatly benefit anyone seriously concerned with what the Bible says about marriage **Necessary Conversations** Gerald Kaufman, 2015-01-27 In this timely book family counselors Gerald and Marlene Kaufman urge adult children and their parents to have direct conversations about the decisions that lie ahead as parents age The Kaufmans suggest that families use their parents' retirement as the benchmark for having the first discussion about their parents' plans for the next phase of their lives The Kaufmans point out that most families wait until they're faced with a crisis before having these conversations The big questions facing aging adults are 1 Where should they live as they become less able to care for a property 2 How will they manage their finances so that they are as prepared as possible to meet their needs as they age Are they ready to invite one or more of their children to become their partners in making financial decisions 3 Are they ready to invite one or more of their children to become their partners in making their medical decisions 4 How can parents and children work together in determining when it's no longer safe or wise for the parents to drive 5 What end of life decisions should parents be prepared to make What is the best way to have those discussions Necessary Conversations is filled with stories and examples from many families most with different life circumstances but all facing these same issues The chapters end with Getting Started a list of suggestions for action as well as Questions for focusing on practical outcomes to the discussions The book includes a series of exhibits from a Needs Assessment for Caregivers to a Medications and Supplements List to a Driving Contract and Checklist A thoughtful and useful guide to a life stage that's often dreaded and muddled through Gerald W Kaufman and L Marlene Kaufman have been family counselors for nearly 40 years This book grew out of a seminar they were asked to lead with their adult daughter and her husband The Law Times Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ...
