Monday Morning Jesus:

Monday Morning Jesus Joseph Moore, 1984 Written for teenagers who have just finished the experience of a retreat Format includes a meditation for each day for two months after the retreat and includes an activity suggestion which can enable the person to respond to a new sense of Christianity *Last Hours of Jesus* Fr. Ralph Gorman, 2018-01-18 Here for the ordinary reader is an unforgettable moment by moment account that brings to vivid life the powerful events that transpired between Jesus Agony in the Garden of Gethsemane and His death on the Cross at Golgotha Told accurately and in a manner in teresting and intelligible it actually provides a fuller treatment of the Passion than is found in the Gospels You see those Gospels were written for first century readers already familiar with many of the persons places parties and politics that colored events in those long past days Not so modern readers twenty centuries later Which is why Fr Ralph Gorman has here crafted for us a single detailed narrative out of the four Gospels weaving into his narrative relevant Old Testament passages and prophecies and facts from Jewish and Roman history laws beliefs traditions and practices plus helpful first century military political geographical and archaeological information Faithful to the Gospels while drawing on the best commentaries on them in English Latin French German and Italian these rich pages provide you a refreshing reading of the Gospels supplemented by reliable archaeological historical and theological information about the period places and persons in volved Plus you have the benefit of Fr Gorman s keen depictions of the Gospel places based on his three years residence there You can read this book straight through or one chapter a day as spiritual reading before Mass or during Lent Either way you ll come to understand better the malice of the crowds the dismay and confusion of Christ s friends and the speed with which the deadly events unfolded Most of all you ll come to grasp anew the depths of Christ s love for you awakening in you greater devotion to Him than ever before How about it Wouldn t it be good for you by reading and meditating on the contents of this book to spend with Jesus His last hours From these moving pages you ll come to learn scores of new and sometimes surprising things including The exact moment that Satan entered Judas can you name it The most terrible words Jesus spoke during his life on earth do you know them Pray they will never be said about you The real meaning of the agony in the garden Hint it was more than suffering How Jesus failed to fulfill popular hopes about the Messiah The dangerous political currents in Palestine that fueled the fatal events of holy week Fr Ralph Gorman explains them all That naked man who fled before Jesus and the soldiers after Jesus s arrest Was it really St Mark as some say Annas Caiaphas Herod the Great Herod Antipas Pilate the High Priests the Sanhedrin the Sadducees the Scribes and the Pharisees learn which of these many overlapping and often conflicting authorities and groups ruled what did what and why Why the groups that hated Jesus did not just kill him secretly The many and often shifting charges made against Jesus Why Jesus refused to answer many of His accusers The moment that under oath Jesus declared himself to be God do you know when that was Pontius Pilate before and after Christ s passion where he came from and what happened to him afterwards He burst asunder and all his bowels gushed

out St Luke's little known description of the death of Judas The incestuous marriage that led to the death of John the Baptist Pontius Pilate why he admired but condemned Jesus What Barabbas really did and why that led the crowd to demand Pilate release him instead of Jesus Why so quickly Palm Sunday's Hosannas led to Good Friday's Crucify him Who Christ blamed for his plight and to what extent The likely location of the crucifixion and that spot in particular was chosen The statue of Venus erected over Golgotha and of Jupiter over the Holy Sepulcher who did it and how it helped later generations of Christians How Roman methods deliberately increased the shame and pain of crucifixion How Christ's great sufferings on the cross confirmed rather than falsified the truth of his divinity Why after His death the Sanhedrin still feared Jesus And much more to enrich your knowledge understanding and love of Jesus *Jesus; His Words and His Works According to the Four Gospels* William Dallmann, 1914 **Jesus Christ** Ferdinand Prat, 1950 *Recovering Jesus* Thomas R. Yoder Neufeld, 2007-08-01 In *Recovering Jesus* Thomas R. Yoder Neufeld leads you through an honest and careful study of the testimony of Jesus's first century followers as well as more recent scholarly and popular witnesses The result is a journey that will challenge you to move beyond the Jesus you think you know to a deeper understanding of who he was and why he matters This text will be a valuable tool in academic settings as well as for believers and nonbelievers alike who want to know the real Jesus *Messenger and Visitor*, 1918 *Life with a Capital L* Matt Heard, 2014-10-21 Matt Heard writes winsomely and compellingly answering that quiet aching so many people yes even Christians have that there must be more to life I highly recommend *Life With a Capital L* Joni Eareckson Tada Joni and Friends International Disability Center What is it that you long for Dream about Hunger after We all desire more than just the endurance of our daily routines But often we feel limited and stuck like we're merely existing instead of living That's not the way it was meant to be God intends the humanity in each of us to be deeply experienced lavishly enjoyed and exuberantly celebrated In fact this is what the gospel is all about Yes the gospel Contrary to conventional thinking inside and outside the church following Jesus is not about denying our humanness but embracing it Rather than acting more spiritual or being more religious we're called and enabled to become more fully human and alive Matt Heard escorts us on a journey of discovery that Jesus didn't come to save us from our humanity Christ instead yearns to restore it to what God originally intended Matt then explores ten key areas where everyday life can become extraordinary Life Christ promised we could live life to the full He didn't just mean eventually *Life with a Capital L* is the Life you are longing for Now *An Unorthodox Faith* Kurt Struckmeyer, 2017-02-14 The time is ripe for a new Christian reformation a profound transformation of theological substance not just liturgical style Jesus never intended to create a new religion of rites creeds and dogma that offered an eternal reward in heaven Instead he announced the subversive arrival of the kingdom of God a social and economic revolution of the heart based on a lifestyle of radical love lavish generosity extravagant forgiveness inclusive hospitality compassionate action selfless service a passion for justice creative nonviolence and simple living He invited his followers to transform their lives and change the world A postmodern

Christianity will call people to engage in the Jesus revolution a conspiracy of love that rises up against the unjust systems of the world through everyday acts of kindness compassion and resistance An Unorthodox Faith provides a framework for a faithful life based on the Way of Jesus a way of living authentically and humanely for the sake of others It offers countless people those who remain in the church those who have left and those who have never ventured near with a life of faith that is meaningful intelligent and passionate Three Day Series Book 1 the Darkness , *BIBLE MATH* Tommy B.

Saggau,2025-07-23 Tommy B Saggau found himself woefully unprepared to answer Bible critics when he was in college in the 1980s The hardest questions to answer were always those questioning the chronology of Christian traditions In this book he painstakingly goes through the ten days of the Passion Week to address the problem that Good Friday through Easter morning has never equaled three days and three nights no matter how many apologetics we use The author seeks to answer questions such as As it pertains to the math in the Bible why have Christian scholars and leaders of the church been willingly ignorant for two thousand years Why do modern churches typically stand on the traditional Passion Week chronology as a fact How can we be so sure that the God of the Bible is the true God Other topics include how Jesus inherited David s throne through Mary which corrects two important criticisms of Matthew s genealogy of Jesus why Jewish scribes removed three kings of Judah and how Mary is a direct descendant of David in Jesus s lineage Armed with this book the next time a Christian goes to college or out in the world and faces questions about the Bible they will have answers
